ICY BOX **IB-PS106-PD** 2-port wall charger with USB Power Delivery

A smart travel companion

The IB-PS106-PD is designed for trips to the EU, UK or overseas in the USA and Canada, because it fits into all existing sockets and charges your mobile devices such as smartphones and tablets. Thanks to the widespread charging standards Power Delivery and QuickCharge, the 2-port charger recharges super fast.

Safe with ICY BOX

The IB-PS106-PD features an intelligent chipset that always determines the ideal power requirement for the connected mobile devices. The charger guarantees safe operation always and everywhere, which is ensured by protection against overcharging, overvoltage, overheating and short circuit.

Small and compact

Black, plain, small, compact - an unobtrusive design. But striking in its performance! With up to 38 watts, there is enough power to charge a smartphone and tablet simultaneously. With a USB-A and a USB-C connection, the use of different charging cables is pragmatically solved.
