Special Projects

OEM products developed in cooperation with customers

In House design and manufacturing. Brodit's manufacturing capacity makes it possible for us to manage requests for a single custom made product to high volume commercial orders.

One of Brodit's strengts is the short total production turn around time for a new product. Our unique knowledge and more than 35 years of experience is a great benefit to our customers.

At Brodit, the customer's wishes always come first! We work closely with our customers in order to develop products that are best suited for the users' needs. The concept also inspires and results in new product solutions.

If you need a product that is not available please contact Brodit; perhaps we can develop such a product in cooperation with you! In house design and manufacturing enables us to develop the most functional products, produced at the highest quality level.

Benefits:

- Unique product solutions perfectly made for specific needs & larger projects
- High grade ABS/Acetal plastic & aluminum
- Hand made samples to large quantaties in state-of-the-art machinery
- Problem solving & creativity results in user friendly solutions
- Subcontracting & contract manufacturing
- Made in Sweden

PRODUCT HAS A SWIVELING FEATURE

PRODUCT IS EQUIPPED WITH WINGNUT

Brodit

PEDESTAL MOUNTS

SUPER STRONG MOUNTING SOLUTIONS FOR INSTALLATION OF HEAVIER DEVICES

- A modular system for a stable and strong installation of heavier devices
- Provides improved working environment with device within easy reach
- For use in any vehicle, flat surface, round pole or pipe, square rod
- Durable products with low weight, that withstand a lot of weight
- Contact Brodit for customized solutions on special projects
- Predrilled holes for easy attachment of a device holder
- Complete sets, or mix and match your own solution
- Heavy duty and standard duty range
- For professional everyday use
- Discreet design, color: black
- Solid and hollow range
- Made of aluminum
- Made in Sweden

HEAVY DUTY PEDESTAL MOUNTS WITH WINGNUTS

- A versatile Heavy Duty Pedestal Mount with wingnuts which allow for easy adjustment
- The joints are super strong, thanks to the small interlocking teeth
- The small interlocking teeth can be angled in 0-180° (16 positions in steps of 11,25°)
- Rod diameter 30 mm, solid rod
- Made of aluminum
- Square top: 50x50 mm, dual AMPS holes
- Round base/top: diameter 64 mm, multiple AMPS holes, radial adjustment

SUPER STRONG
& WITH WINGNUTS
FOR EASY ADJUSTMENT!

215789	Pedestal Mount 8”	214 mm
215790	Pedestal Mount 10”	264 mm

HEAVY DUTY PEDESTAL MOUNTS WITH TOP

SWIVELING HEAVY DUTY PEDESTAL MOUNT

- Top part of the mount swivels 300°
- For installation of two devices back to back
- Mounting surfaces are angled 10° and 20°
- With MultiMoveClip, fits for all Brodit holders with tilt swivel
- Round base mounting plate, diameter 100 mm, thickness 9 mm, 6 holes
- Rod diameter 30 mm, solid rod, made of aluminum

Item no.	*Product*	*Total height*
215523	Swiveling Pedestal Mount 6”	262 mm

HEAVY DUTY PEDESTAL MOUNT 4” WITH MULTIMOVECLIP

- With MultiMoveClip, fits for all Brodit holders with tilt swivel
- Round base mounting plate, diameter 100 mm, thickness 9 mm, 6 holes
- Rod diameter 30 mm, solid rod, made of aluminum

Item no.	*Product*	*Total height*
215518	Pedestal Mount with MultiMoveClip”	138 mm

HEAVY DUTY PEDESTAL MOUNT 4” WITH BASE PLATE

- Square mounting plate, 50x50 mm, dual AMPS holes
- Round base mounting plate, diameter 100 mm, thickness 9 mm, 6 holes
- Rod diameter 30 mm, solid rod, made of aluminum

Item no.	*Product*	*Total height*
215563	Pedestal Mount 4”	124 mm

PEDESTAL MOUNTS WITH SWIVELING TOP

- A light weight, smaller size Pedestal Mount perfect for use in cramped places
- Slim design top, rod diameter 30 mm, solid rod, made of aluminum
- Height 117 mm + top
- Swiveling top turns approximately 345°, made of Acetal plastic
- Dual AMPS holes

LIGHT WEIGHT & SMALLER SIZE!

Item no.	*Product*	*Top angle*
215815	Swiveling Pedestal Mount	15° angled top
215816	Swiveling Pedestal Mount	30° angled top
215817	Swiveling Pedestal Mount	45° angled top
215818	Swiveling Pedestal Mount	60° angled top
215819	Swiveling Pedestal Mount	75° angled top
215820	Swiveling Pedestal Mount	90° angled top

ADJUSTABLE TABLET HOLDERS

- Adjustable tablet holder for use with devices with or without a skin/case
- Easy to place/remove device in holder
- The holder is equipped with a tilt swivel, tilts 17° and swivels 360°
- Add a MultiMoveClip for easy attachment/removal on a Pedestal Mount (only included with the sets listed below, not included with the adjustable tablet holder)
- . Measure the height and thickness of your device with/without skin/case and compare with list below

ADJUSTABLE TABLET HOLDERS

Item no.	Device height	Device thickness
511848	120-150 mm	max 25 mm
511849	140-195 mm	max 25 mm
511850	180-230 mm	max 25 mm
511971	120-150 mm	max 30 mm
511972	140-195 mm	max 30 mm
511973	180-230 mm	max 30 mm

SET: ADJUSTABLE TABLET HOLDER & PEDESTAL MOUNT WITH SWIVELING TOP 45°

Item no.	Device height	Device thickness
215855	120-150 mm	max 25 mm

EXTRA FIRM PIPE MOUNTS

- A pipe mount for round bars. Perfect for installations in heavy duty vehicles or where road conditions are rough
- For use on motorcycles, boats, carts, stands, wheelchairs, airplanes etc
- Provides a very sturdy mounting platform for tablets, rugged PDAs, smartphones, monitors, printers etc
- Mounting plate 69x75 mm with multiple AMPS holes (M4x12 screws)

Item no.	*Product*	*Diameter*
215935	Pipe mount	Fits diameter 25 mm (40 mm if insert removed)
215858	Pipe mount	Fits diameter 30 mm (40 mm if insert removed)
215859	Pipe mount	Fits diameter 35 mm (40 mm if insert removed)
215860	Pipe mount	Fits diameter 40 mm

EXTRA STRONG PIPE MOUNT!

FIRM PIPE MOUNTS

- The BarGrip is a pipe mount for round pipes/bars
- Easy to install, a very tight fit
- Available with fixed mounting plate or an adjustable tilting arm
- Mounting plate 50x42 mm
- Made of plastic

BARGRIP

- Fits for round pipes/bars 22-31 mm

Item no.	*Product*
215792	Swiveling mounting plate on arm, tilts 210°, rotates 360°
215793	Fixed mounting plate, AMPS holes
215794	Fixed mounting plate, 4 holes for nut + bolt

BARGRIP XL

- Fits for round pipes/bars 31-50 mm

Item no.	*Product*
215944	Swiveling mounting plate on arm, tilts 210°, rotates 360°
215945	Fixed mounting plate, AMPS holes
215946	Fixed mounting plate, 4 holes for nut + bolt

STANDARD PIPE MOUNTS

- For installation of devices on pipes and rods/bars
- For use on most types of vehicles, trucks, motorcycles, boats, carts, stands, wheelchairs, airplanes etc
- Item no. 215938+215966+215969 are made of aluminum
- Item no 215664-215667 are made of ABS/Acetal plastic

STANDARD PIPE MOUNT!

Item no. 215664	Item no. 215938	Item no. 215969	Item no. 215966	Item no. 215665	Item no. 215666	Item no. 215667

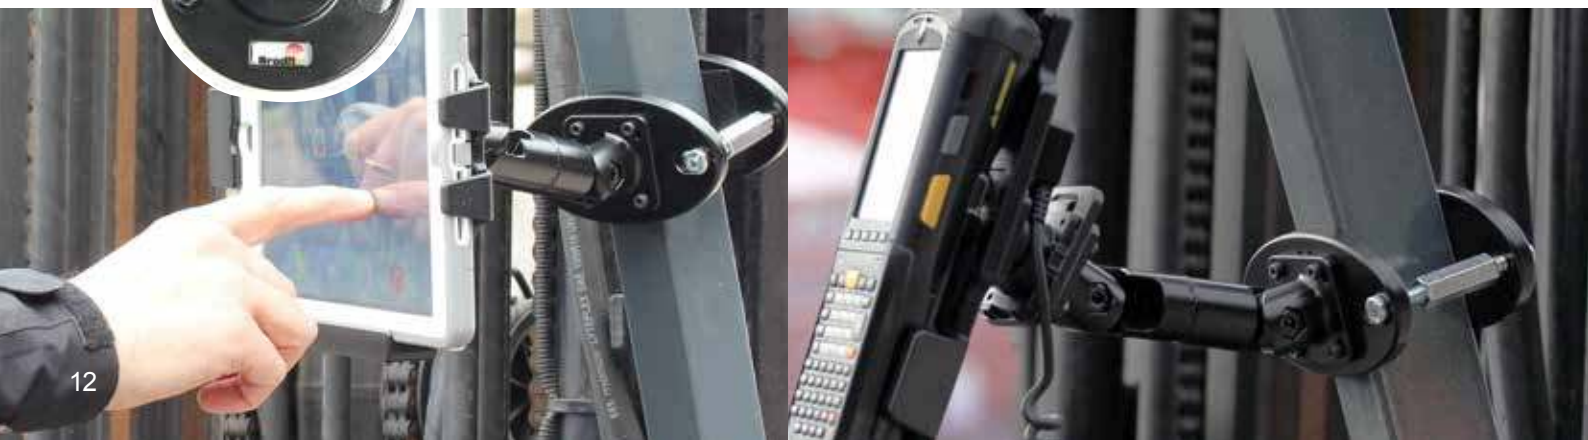
MOUNT ON SQUARE OBJECTS!



STANDARD DUTY FORKLIFT CLAMP MOUNTS

- For installation onto square objects, e.g. rollbar of a forklift, rods, poles, tubes, plates, pipes.
- Fits square objects with thickness 5-130 mm
- With a Standard Duty Pedestal Mount arm with wingnuts
- Mounting plate 50x42 mm
- Made of aluminum
- AMPS holes

Item no. 215978

Item no. 215979

Item no. 215980

Item no. 215981

FORKLIFT CLAMP MOUNT WITH STANDARD DUTY PEDESTAL MOUNT ARM

Item no.	*Product*
215978	Length 140 mm, width between rods 72 mm
215979	Length 172 mm, width between rods 72 mm
215980	Length 140 mm, width between rods 97 mm
215981	Length 172 mm, width between rods 97 mm

U-MOUNTS

- For installation onto square objects, such as the rollbar of a fork lift or a square pillar in a ware house
- Fits rods/bars 35-40 mm or 45-50 mm
- Made of aluminum
- Dual AMPS holes

MOUNT ON SQUARE OBJECTS!

Item no.	*Product*
215709	U-Mount. Fits bars 45-50 mm wide
215710	U-Mount. Fits bars 35-40 mm wide

HEAVY DUTY SUCTION CUP MOUNTS

- Extra strong, heavy duty suction cup mounts
- Provides a firm installation on flat surfaces such as glass or metal
- Dual AMPS holes

Item no. 215712

Item no. 215675

Item no. 215854

Item no.	*Product*
215712	Single Suction Cup Mount
215671	Dual Suction Cup Mount
215675	Triple Suction Cup Mount
215854	Dual Suction Cup Mount with Pedestal Mount 8”
215676	Wingnut + distance plate
215679	Distance plate, 5 pcs

Item no. 215676

Item no. 215679

MULTIMOVECLIP

- An adapter system for easy attachment and removal of a holder onto a mount
- Allows you to easily switch holders without changing the mount
- Move the holder between vehicle-warehouse-office
- Made of Acetal/ABS plastic
- Compatible with all Brodit holders with tilt swivel
- AMPS holes

INSERT & REMOVAL OF HOLDER IN SECONDS!

FLOOR STAND FOR CABLE ENTRY

- A stable mounting platform for any device in shops, at exhibitions, at events, receptions, etc.
- 30x30x113 cm (LxWxH), 13,7 kg
- Made of aluminum, top made of Acetal plastic
- Dual AMPS holes + 4 holes
- Angled top 45°

FLOOR STAND WITH ANGLED TOP 45° FOR CABLE ENTRY

Item no.	*Product*	*Holes*
215678	Stable floor stand for cable entry	Dual AMPS holes + 4 holes

HEAVY DUTY EXTENSION PARTS WITH SMALL TEETH

- Create your own unique solution by combining various Heavy Duty Pedestal Mount parts
- The joints are super strong, thanks to the small interlocking teeth, can be angled in 0-180° (16 positions in steps of 11,25°)
- With wingnuts which allow for easy adjustment (NOT included in base/top)
- Rod diameter 30 mm, solid rod
- Made of aluminum
- NOTE: Each part is marked 1 or 2. In order to make a straight design (angle 0°), you need to match a ”part 1” with a ”part 2”. If you mount ”part 1” onto ”part 1”, or ”part 2” onto ”part 2”, it will not be possible to create a straith (angle 0°) design, but the parts will still be compatible. (Only applies for the heavy duty Pedestal Mounts with small interlocking teeth.)

MOUNTING BASE PLATES & TOPS

● Create your own unique solution by combining mounting plates and tops with various Pedestal Mount parts

Item no. 215522

Item no. 215597

ROUND MOUNTING/BASE PLATE

● Round mounting/base plates for added stability
● Spreads the strain on the mounting surface thanks to hole pattern over a larger area
● Made of ABS plastic
● Thickness 9 mm

Item no.	*Product*	*Diameter*	*Holes*
215522	Round mounting plate	100 mm	AMPS holes + 6 holes
215807	Round mounting plate	200 mm	AMPS holes

Item no.	*Product*	*Diameter*	*Holes*
215597	Round mounting plate	100 mm	2x6 holes
215598	Round mounting plate	150 mm	2x6 holes
215599	Round mounting plate	200 mm	2x6 holes

SWIVELS!

Item no. 215521

Item no. 215524

SWIVELING TOP PLATE

● For installation of equipment that needs to be turned for use from different directions
● Made of aluminum
● Swivels 300°. Diameter 64 mm. Thickness 22 mm

Item no.	*Product*	*Holes*
215521	Swiveling top plate, adjustable in fixed steps	AMPS-holes + 4 holes
215905	Swiveling top plate, stepless adjustment	AMPS-holes + 4 holes

ANGLED TOP PART

● For installation of two devices back to back, for example a payment terminal and a printer
● Mounting surfaces are angled 10° and 20°
● Made of Acetal plastic
● Dimensions 64x64x46 mm (L+W+H)

Item no.	*Product*	*Holes*
215524	Angled top part 10° and 20°	3xAMPS holes + 1 large hole

VIBRATION DAMPERS

- Reduces vibrations and bumps, for use in a rough environment
- Mount the vibration dampers between the holder and the Pedestal Mount
- Damper builds 17 mm, damper plate builds 22 mm
- AMPS holes

Item no. 215881

Item no. 215997

REDUCES VIBRATIONS & BUMPS!

Item no.	*Product*	*Max weight*
215881	Vibration damper, hard (2 pcs)	For installations weighing up to 1500g
215882	Vibration damper, soft (2 pcs)	For installations weighing up to 300g
215998	Vibration damper plate 68x68 mm, hard	For installations weighing up to 1500g
215997	Vibration damper plate 68x68 mm, soft	For installations weighing up to 300g

WINGNUTS & SCREWS

- For use on all Heavy Duty Pedestal Mounts (NOT for Standard Duty Pedestal Mounts)

Item no. 215670

Item no. 215535

Item no.	*Product*
215670	Wing nuts. Replaces standard nuts on Heavy Duty Pedestal Mounts (2 pcs)
215535	Screws. 2 screws + 2 nuts + 1 Allen key. For Heavy Duty Pedestal Mounts. Color: Black

Taxi & Heavy Duty Mounts

Extra strength mounting platform

Brodit high strength mounting bracket is a mounting platform that you install in your car. It serves as a base for communication device holders. Keep your device attached to the dashboard in a secure and convenient way - always within easy sight and reach!

Brodit can offer heavy duty mounting brackets suitable for mounting taxi equipment or similar heavy devices. The brackets can hold taximeters, payment terminals, printers or larger navigation screens, only to mention a few.

Does not damage the interior: The interior of the vehicle will not be damaged as no drilling of holes is required, you do not need to dismantle the dashboard.

Rugged PDA Holders

Professional use

Brodit Rugged PDA Holders are customized holders and mounting platforms for professional installation of handheld devices. Strong mounting platforms for rough environments, heavier devices in professional everyday use. Rugged PDA holders are for: Taxi-vehicle, busses, Trucks, distribution vehicle and many more vehicle for everyday professional use.
i.e devices for Rugged PDA: Tablets, bar code scanners, printers, payment terminals, and many more.

With your PDA in a holder from Brodit, mounted on your dashboard you will always have your device within easy sight and reach. Safe, smart and convenient. Holders are available as passive withouth charging, and active with built-in charging via cigarette lighter plug or fixed hard-wire installation.

All holders are equipped with a tilt swivel, allowing for the holder to be adjusted to avoid light reflection in the screen. The holder is easily attached onto a ProClip mounting platform designed specifically for your car. Also for some models; table stands are available in order to always ensure a freshly charged battery when leaving the offices.

Benefits:

- Within easy sight and reach in the car
- Active holders guarantee a freshly charged battery
- Tilt swivel allows adjustment
- Customized design for perfect fit
