PRECAUTIONS

To ensure personal safety and proper maintenance, please read this section.

WARNING

Keep electronic medical devices away from the hood

This product uses magnets. The magnetic forces may affect the normal operation of medical devices.

CAUTION

Do not carry the monitor with the hood attached.

While carrying the monitor, the hood may fall or slip off, which may result in injury or equipment damage.

Do not place any objects on the hood.

If the hood falls or slips off or the monitor falls over, it may result in injury or equipment damage.

Keep the following items away from the hood

- Magnetic recording media such as magnetic cards, prepaid cards and tickets
- Electronic and communication devices such as speakers, CD/DVD players and cell phones

This product uses magnets. The magnetic forces may damage their data or hamper the normal operation of such devices.

Attach only to specified EIZO LCD monitors.

Attaching to other monitors may cause the hood to drop, which may result in injury or equipment damage. For the specified monitors, please visit our website at <http://www.eizoglobal.com>.

Package Contents

Please contact your local EIZO representative for assistance if any of the listed items are missing or damaged.
