YOUR DATA, SQUARED AWAY.

Tiny Design ...

At just 80mm square, the PC60 is one of our most portable-friendly portable SSDs yet. It fits snugly in the palm of a hand and comfortably slides into a pocket, unnoticed, thanks to its slim 11mm profile. It's also surprisingly lightweight. The shock-resistant structure, which can withstand minor drops and bumps, and the convenient keyhole design, which allows it to easily attach to keychains or bags, both complement its intent to be an on-the-go back-up storage solution.

... Huge Performance

Despite its ultra compact size, the PC60 is brimming with technical features. With its USB 3.2 Gen 2 interface, it can transfer data at lightning speeds, up to 10 Gbps, while its Type-C port is both convenient and on-trend with the majority of new devices. 3D NAND Flash technology allows it to store a deceptively large amount of data, up to 4 TB. And blazing read and write speeds up to 540 MB/s and 500 MB/s, respectively, get the job done faster.

Portable SSD

PC60

240 GB | 256 GB | 480 GB | 512 GB
960 GB | 1 TB | 1.92 TB | 2 TB | 4 TB

Features

- Rapid data transfer with USB 3.2 Gen 2 Type-C extreme high-speed interface (up to 10 Gbps)
- Performance read and write speeds up to 540 MB/s and 500 MB/s, respectively*
- 3D NAND Flash technology allows for greater capacity, up to 4 TB
- Pocket-size design is ultra compact and lightweight for superior portability
- Square shape with a polished frame and textured surface
- Convenient keyhole design for easy attachment to keychains or bags
- LED indicator informs of any activity
- Shock-resistant design can withstand minor drops and bumps
- Includes 1 Type-C to USB Type-A cable
- Free SP Widget software download available for backup and restore, AES 256-bit encryption, and cloud storage**

*Performance results may vary, depending on system platform, software, interface, and capacity
**Software download available from the official SP website

Specifications

- Capacity: 240 GB, 256 GB, 480 GB, 512 GB, 960 GB, 1 TB, 1.92 TB, 2 TB, 4 TB
- Dimensions: 80.0 mm x 80.0 mm x 11.2 mm
- Weight: 46 g (max.)
- Material: Plastic
- Color: Black
- Performance Read(max.): up to 540 MB/s
- Performance Write(max.): up to 500 MB/s
- Interface: USB 3.2 Gen 2 (USB 3.1 Gen 2, USB 3.1 Gen 1 & USB 3.0, USB 2.0 backwards-compatible)
- Cable: Type-C to USB Type-A
- OS Compatibility: Windows 11/10/8.1/8/7, Mac OS 10.3.x or later, Linux 2.6.x or later, Android OS 6.0 or later
- Operating Temperature: 0°C - 70°C
- Certification: CE, FCC, BSMI, RoHS, KCC
- Warranty: 3 years Limited
