

InLine® PC and Server Mainboard Testing Set 5 parts

* Preise inkl. gesetzlicher MwSt. zzgl.Versandkosten

Marke: INL

Bestell-Nr.: 59910

Simple set for testing of mainboards, without using the long cables from the casing. The set consists of 2 pushbuttons, 2 LED's and 1 speaker, which are connected directly to the post connectors of the mainboard.

- 1x Power pushbutton
- 1x Reset-pushbutton
- 1x Power LED
- 1x HDD LED
- 1x PC-speaker
