

PRODUCT UPDATE

PRODUCT:

- **CG29749** - USB-C® to Ethernet Multiport Adapter with Power Delivery - Black
- **CG82408** - USB-C® to Ethernet Adapter with Power Delivery - Black

In our ongoing commitment to improving product quality and performance in accordance with industry standards, we have implemented an upgrade to the product's power delivery.

WHAT HAS CHANGED?

1. The USB-C® Max Power Delivery was upgraded from 60W to 100W for better performance on high-power laptops.

During this transition period, you may continue to receive shipments of the previous product model until existing distributor stock is depleted. Both the old and new models meet our strict quality standards.

If you have any questions or require additional information, please don't hesitate to contact us. We appreciate your continued support.
