

eufy Security Motion sensor

- The included battery provides up to 2 years of power for round-the-clock security.
- Detects motion within a 100° field of view up to 30 feet away
- Tailor the sensitivity of the motion sensor so that it only alerts when humans are in range—rather than the playful pet dog or cat.
- Notifies you as soon as motion is detected, sending a message to your phone via the eufy Security app
