schleich HORSE CLUB Horse Transporter - 42619:

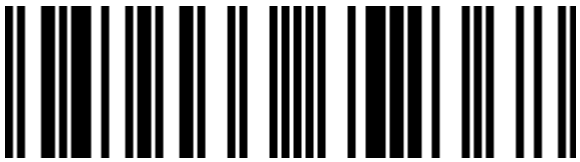

The horse transporter is almost like a campervan. The three horses can be groomed at the integrated grooming station and hosed down. Then it's off to the modular paddock for obstacle training. There is real water in the rooftop pool. Just perfect for cooling off! In the evening, everyone can meet up around the barbecue before going to bed. Who wants to take a ride?

Wow, this horse transporter really has what it takes!
Lisa has everything on board to travel to the next tournament with her family and as many as four horses.
They have such a great time on their way there.
During the journey the horses are safe and sound in their boxes.
Once they've arrived, Lisa sets up the transportable paddock with fencing.
She even has obstacles with her so that they can practice for the upcoming tournament.
Lisa never gets bored of coming up with new exercises. And the parents? They get to relax in the rooftop pool.
