

HSM shredstar X5 - 4.5 x 30mm + sep. CD cutting unit

HSM shredstar X5 document shredder

Data protection for the home or the small office. This modern and compact particle cut document shredder with a separate CD cutting unit shreds data at the workplace.

Product information

The automatic reverse eliminates paper jams and ensures a smooth operation.

An integrated light barrier automatically starts the device when paper is introduced into the feed and it automatically stops after shredding is complete.

The quiet operating mode minimises noise development at the workplace which is an important consideration for your staff.

The LED indicator shows the device's operating status: Power, Overload, Overheat.
