

Tablestand BL XL

Table mount

Item no.: 8718

The Tablestand BL XL table mount is suitable for screens with a size of 32 - 77" | 81 - 196 cm.

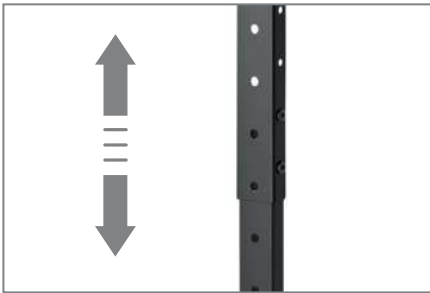

The table mount is suitable for flat screens as well as for curved screens, both are mounted in landscape orientation. The VESA standard is supported from 50 x 50 mm min. up to 800 x 400 mm max..

Thanks to the independently movable feet, the mounting width can be between at least 90 mm up to a maximum of 840 mm.

The screen can be mounted at 3 different heights, depending on your wishes or requirements.

The surfaces are protected by a solvent free, impact and scratch resistant black powder coating in black.

The maximum load is 50 kg.

Height adjustable (Tool needed)

Can be mounted in 3 different heights

Minimalistic design
