

SD620 External Solid State Drive

Built Fast and Tough

SD620 External Solid State Drive

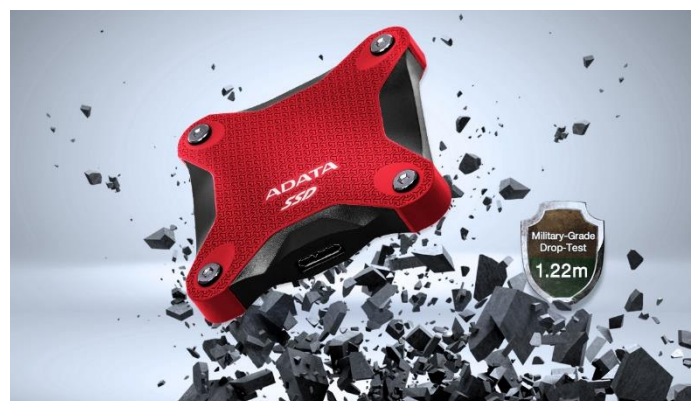

The SD620 external SSD features transfer speeds of up to 520MB/s, which is approximately 5 times faster than standard external SSDs (about 100MB/s). Highly stable and capable, the SD620 transfers data smoothly without delay. The SD620 weighs only 55 grams, making it lightweight and portable, and meets MIL-STD drop and shock resistance at 1.22 meters. It can be used with multiple devices such as laptops, desktops, Android phones, and tablets. The SD620 is chic and sporty and a great new option for external storage devices!

Data Transfer in Seconds

Loved it from the start! With a transfer speed of up to 520MB/s, the SD620 is a racehorse of digitally transmission, only taking about 20 seconds to complete transfer of a 10GB 4K high-definition video file. Backing up your data will no longer be a chore!

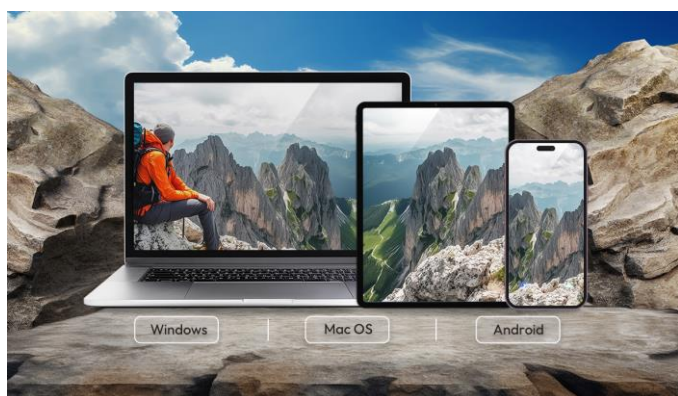

MIL-STD Shock Resistance Handles Unexpected Bumps

The SD620 is covered in a protective anti-shock silicone sheath which is a superior elastic buffer when compared to standard external SSDs. It has passed strict MIL-STD-810G 516.6 drop testing and will remain unscathed even if dropped from 1.22 meters. The SD620's durability makes carrying it a no-brainer!

Multi-platform and Cross-device

The SD620 is compatible with operating systems such as Android, Mac OS, and Windows, and supports hot-swapping. It can be connected to various devices such as PCs, tablets, mobile phones, and game consoles. The SD620 can transfer files without installing additional drivers. Backing up all your devices in one go is both convenient and secure!

Enjoy Three Classic Colors

The SD620 is available in three classic colors including black, blue, and red, to fit your personal style and self-expression. It is also a statement of confidence, allowing you to exhibit your unique fashion sense through this storage device.

Features

- Supports USB 3.2 Gen2 high-speed transmission
- Transfer speed up to 520MB/s
- 1.22m MIL-STD drop shock resistance

- Support for latest generation games
- Supports multiple operating systems and computer platforms

Specifications

- Capacity: 512GB / 1TB
- Color: Black / Blue / Red
- Dimensions (L x W x H): 80 x 80 x 15.2mm/
3.15 x 3.15 x 0.6 inch
- Weight: 54.9g / 1.94oz
- Interface: USB 3.2 Gen 2 (10Gbps)
(backward compatible with USB 2.0)
- System requirements: Windows 8/8.1/10/11,
Mac OS X 10.6 or later,
Linux Kernel 2.6 or later,
Android 8.0 or later
- Devices supported: iPad Pro 2018 or later,
MacBook Pro 2019 or later, MacBook Air 2019 or later,
Xbox ONE, Xbox Series X|S,
PlayStation® 5, PlayStation®4 Pro.
- Warranty: Limited 3-year
