EPREL STYLE PRODUCT INFORMATION SHEET

Prepared from publicly available manufacturer specifications for Schlosser OE629CBL

Field	Value
Supplier / Brand	SCHLOSSER
Model identifier	OE629CBL
Product type	Built-in electric oven
EAN	4779030326584
Energy efficiency class	A
Oven cavity volume	76 L
Width	60 cm
Dimensions (H x W x D)	590 x 595 x 540 mm
Control type	Electronic touch control
Display	LCD
Automatic cooking programs	20
Cooking functions	6-8 (source dependent)
Convection fan	Yes
Grill	Yes
Interior light	Yes
Child lock	Yes
Maximum temperature	230 C
Voltage	230 V
EPREL Registration Number	Not publicly identified
Annual energy consumption	No public data
Energy consumption conventional mode	No public data
Energy consumption fan-forced mode	No public data

Note: This document is formatted in the style of an EPREL product information sheet but is not an official EPREL document. Fields unavailable from public manufacturer sources are explicitly marked as unavailable.
