Three-microphone steerable array Keep the focus on your voice, not the background noise, with a multi-microphone steerable array for echo and noise reduction.	Bass reflex system with dual passive radiators Enjoy clearer calls and music that sounds remarkable using the bass reflex system with dual passive radiators for natural voice and deep bass.	Full duplex audio Speak freely, even simultaneously with others — conversations flow naturally with full duplex audio to help you capture every word.
--	---	---

Built with high-performance, large music speaker
Fill the room with a high-performance, large music speaker for great music and immersive multimedia.

Connects to personal devices and works with existing applications
Proceed with confidence — there's no new interface to learn, and you use your own device and collaboration applications.

Highly visible status light bars
Know what the call status is from a distance with highly visible light bars that tell you.
