Telescopic car mount

SKU: TESUPMAGEXT

Car mount with suction cup for dashboard or windshield, extendable arm and magnetic attachment for smartphone

WHY CHOOSE IT

Versatility as a strong point: this ***telescopic car mount*** perfectly suits the needs of all the drivers who want to keep their smartphone under control.
Viewing maps and incoming calls has never been more convenient: you choose how.

WHERE YOU WANT

This universal mount is designed to be attached to the **windshield or dashboard** with a suction cup. You can detach this accessory by applying a small amount of pressure on the lever at the base of the product for immediate release.

HOW YOU WANT

The way you view your smartphone is essential for **safe driving**.
Inside the box you will find two metal plates: the **circular adhesive plate** is designed to fix your device directly to the magnet, while the **rectangular one** is positioned inside the phone case or the battery cover.
Once you have fixed your device to the magnet of the mount, you can position it horizontally or vertically, thanks to the 360° rotation of the attachment. The adjustable arm also extends up to 16 cm to promote an ideal view of the display.
