Poly Sync 40-M Microsoft Teams Certified USB-A USB-C Speaker Phone

Flexible, Simple, Smart

Business moves fast. Joining virtual meetings should be fast, too. Poly Sync 40 USB/Bluetooth® smart speakerphone lets you get straight to work. Poly Sync 40 is designed for your flexible workspace with remarkable sound and portability. Hear and be heard with its multi-microphone array and full-duplex audio. Intuitive features ensure smooth and easy conferencing. Flexible, simple, smart.

*Product image may differ from actual product

Three-microphone steerable array Keep the focus on your voice, not the background noise, with a multi-microphone steerable array for echo and noise reduction.	**Bass reflex system with dual passive radiators** Enjoy clearer calls and music that sounds remarkable using the bass reflex system with dual passive radiators for natural voice and deep bass.	**Full duplex audio** Speak freely, even simultaneously with others — conversations flow naturally with full duplex audio to help you capture every word.

Built with high-performance, large music speaker
Fill the room with a high-performance, large music speaker for great music and immersive multimedia.

Connects to personal devices and works with existing applications
Proceed with confidence — there's no new interface to learn, and you use your own device and collaboration applications.

Highly visible status light bars
Know what the call status is from a distance with highly visible light bars that tell you.
