Steel Pro Rectangle Above Ground Pool 3.00 m x 2.01 m x 66 cm

Bestway Steel Pro Rectangle Above Ground Pool 3.00 m x 2.01 m x 66 cm:

It doesn't get any better than having your very own pool in your backyard! The Steel Pro Above Ground Pool offers a durable option at a great price.

Durable Construction:
The corrosion-resistant steel frame is equipped with our FrameLink System for a sturdy and secure frame connection. The protective connectors prevent damage from rust-causing metal-on-metal contact. The sturdy DuraPlus liner is made out of an ultra-durable 3-layer material that is reinforced for strength and puncture-resistance. DuraPlus is 15% more tear resistant, 33% more stretch resistant and 83% more puncture resistant than standard PVC, ensuring your pool will last summer after summer.

Simple Setup:
This pool is very simple to set up and to take down for off-season storage. No tools are required, and a hose connects to the built-in flow control valve to quickly and easily drain away pool water when you are ready to take it back down.
