Philips Genuine
Replacement Filter
NanoProtect HEPA

Lifetime of 12 months
NanoProtect HEPA filter

FY0611/30

2 filters in one for lasting good performance

Original Philips filter that fits perfectly

The 2-layer filtration of NanoProtect HEPA and pre-filter ensures that you are protected from PM2.5, bacteria, pollen, dust, pet dander and other pollutants.

Filtration performance
- Filters 99.97% particles as small as 0.003 microns (1)

Original Philips filter
- Perfect fit for consistently high performance
- Philips filters ensure that your device works effectively

Filter Lifetime
- Connect to the device and check the filter life
- Up to 12 months of usage
- Follow the smart filter status indicator on your device

PHILIPS

NanoProtect HEPA
Lifetime of 12 months NanoProtect HEPA filter

FY0611/30

Highlights

HEPA filtration

Our 2-layer filtration system featuring NanoProtect HEPA technology captures an impressive 99.97% of ultra-fine particles as small as 0.003 microns (1) NanoProtect HEPA technology not only traps pollutants but also uses an electrostatic charge to attract them, cleaning up to 2 x more air than traditional HEPA H13 filtration, with higher energy efficiency (2).

Original Philips filters

Original Philips filters are designed at the same time as the device to ensure that they are a perfect fit. This guarantees the continuously smooth operation of the device.

Quality you can trust

Philips air filters go through a set of mandatory and strict inspection tests before they are released from the factory. They are subjected to rigorous life and durability tests, for continuous operation 24/7. Our filters are designed to ensure that your Philips purifier performs at its best right up to the end of the filter's lifespan.

Connected to the Air+ app

Monitor the life and status of your filter anytime, anywhere with the Air+ app. You will receive a notification when it is time to replace your filter and you can easily order a new filter directly through our app (4).

Filter lifetime

Philips integrated 2-in-1 filter provides consistent protection and guarantees optimal filtration for up to 12 months. (3)

Filter lifetime indicator

For easy maintenance, the purifier alerts you when the filter needs to be replaced.

Specifications

Weight and dimensions

- Product weight: 0.24 kg
- Dimension of packaging (L x W x H): 173x173x164 mm
- Weight incl. packaging: 0.35 kg
- Dimension of product (L x W x H): 166x166x154 mm

Design and finishing

- Colour(s): White, black

Replacement

- Integrated filter
- For Philips air purifier(s): AC0650

Performance

- Filter: HEPA, Pre-filter
- Filtration of particles: 99.97% at 0.003 microns
- Filtration of allergens: 99.99%
- Filtration of viruses and aerosols: 99%
