

MPN: PE1413B09

Blue power cable C14 to C13, 0,9M

The PE1413B09 is a high-quality blue power cable, specifically designed with a C14 female connector on one end and a C13 male connector on the other. This 0.9-meter cable is ideal for connecting devices like computers, monitors, and printers to a power source, or for extending existing power connections within a rack or workstation. MicroConnect's power cables are built to European design and quality standards, ensuring reliable performance and safe operation. This cable provides a secure and efficient power transfer, and its distinctive blue color makes it easy to identify in complex setups. Backed by MicroConnect's 20+ years of expertise, this power cable offers premium quality and dependable connectivity for your essential devices.
