MANTA & STINGRAY
Installation Guide

Install your new Manta or Stingray POS system effortlessly with these 6 easy steps!

1

Thread the cable through the opening at the back of the stand.

2

Lift up the cable cover.

3

Pull the cable through the cable tray.

4

Push the cover down to lock it.

5

Place the cable into the I/O view port.

6

The system is now fully installed and ready for action.
