Description

The Equip 650375 23"-55" Ceiling Mount TV Bracket is a versatile and practical solution for mounting your television on the ceiling. This bracket is designed to accommodate TVs with screen sizes ranging from 23 inches to 55 inches, offering flexibility for various viewing setups.

Featuring a sturdy and durable construction, the ceiling mount TV bracket ensures

stability and secure support for your television. The adjustable design allows you to customize the viewing angle, making it suitable for a variety of room configurations. This is particularly useful for spaces where wall mounting may not be practical or desired.

Installation is straightforward, and the bracket is compatible with a range of ceiling heights. The versatile design is ideal for both residential and commercial settings, such as living rooms, bedrooms, conference rooms, or retail spaces.
