

InLine® SATA 6Gb/s Cable small Plug 0.3m with latches

* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 27703K

The SATA connector on this cable is a little smaller than the "normal" SATA connector, which makes the installation of the SATA cable straight into the narrow boxes of advantage. A safety latch prevents accidental loosening of the hard disk or drive.

- SATA cable for SATA hard drives and optical drives such as DVD / CD etc.
- short SATA cable connector on each page
- SATA Stecker with safety latch
- in blister packs
