DIGITUS Wall Mounting Cabinet SOHO PRO - 254 mm (10") - 316x298 mm (BxT)

DN-49104
EAN 4016032493662

10" 12U wall mounting cabinet, SOHO PRO 595 x 315 x 300 mm, grey

Whether for private areas, office or sub-distribution units with limited space: With the compact 254 mm (10”) solutions from the SOHO PRO series, you can install your network wherever you like. The wall housings available in three rack units (6 rack units, 9 rack units, 12 rack units) are equipped with a full glass door as well as a cable entry in the roof and floor. A pair of galvanized 254 mm (10”) profile rails labeled with easy-to-read rack units are installed on the inside. Their depth can be adjusted. Each cabinet features a robust steel design made of up to 1.5 mm thick sheet steel. Coloring is done with electrostatic powder coating in the standard colors gray (RAL 7035) or jet black (RAL 9005). The door hinges can be switched. The network are unassembled on delivery, in an optimized flat pack. Installation takes just a few steps and is extremely easy thanks to the step-by-step instructions included.

The DIGITUS® Wall Housing SOHO PRO series is characterized by efficient delivery in an optimized flat pack as well as particularly user-friendly installation.
