MEMORY FOAM ARMREST PADS

If you feel that the original plastic armrests on a lot of chairs are too hard, this is the perfect solution and will make a huge improvement to comfortability.

The cushioning is 100% memory foam and will form comfortably around your arm and elbow, relieving the pressure points. The cover surrounding it is made of breathable velvet polyester.

- Easy to put on and off and to move between chairs
- Anti-slip rubber bottom helps it stay in place
- Adjustable elastic band to ensure stability
- Ergonomic design that can relieve pressure points in arm and elbow
- Memory Foam Cushioning
- Suitable for most office and gaming chairs
