Rapid Air Plus Technology

No more burning or undercooking. Our patented design optimises heat circulation to not go only around the food but also through it for best results: crispy, tender, evenly cooked food every time.

2 drawers, 2 sizes

2-drawer Airfryers: the large drawer is perfect for mains, chips and whatever you love most. Use the smaller drawer for sides, veggies and snacks.

Time function

Automatically synchronise cooking times in 2 drawers, so that all of your food is ready to serve together. One meal, fresh and hot.

Copy function
