USB to Micro-USB cable with Lightning and USB-C adaptors

SKU: TECABLEUSBIP531BW

3 connectors in one cable: a single cable for all your devices

3 in 1 cable

This **USB-A - Micro-USB cable** has **two built-in adapters**: one **Lightning** and one **USB-C**. This way, if you need to charge, for example, an iPhone 14 with Lightning port or an iPhone 15 with USB-C port, you need only fit the Micro-USB connector with the appropriate adapter.

Made For iPhone (MFi) certified

This cable is Made For iPhone certified, meaning it **meets the manufacture and performance standards** required by Apple. The Lightning connector is suitable for many iPhone, iPad and iPod models.

For charging and data transfer

You can charge your device by plugging the **USB-A connector** into a wall charger or power bank. Plug it into a PC or laptop's dedicated port and you'll be able to **charge while also transferring music, photos, videos and documents**.

Fabric cable: sturdy and flexible

The multiconnector cable has a **braided fabric finish**, which, in addition to a pleasant feel, gives it optimum strength. It is also **anti-tangle**: store it wherever and however you want, without stress.

KEY FEATURES:

- Length 1.20 metres
- USB 2.0 - Micro-USB with Lightning and USB-C adaptors
- Simultaneous charging and data transfer

- "Made for iPhone" certified: this accessory is made for Apple devices* and is certified by the manufacturer to meet the performance standards set by Apple.

* check the models in the "compatibility" section
