DMV02

DUAL SWING ARM DESK MOUNT WITH GAS SPRING

FOR 19"-35" SCREENS

DMV02 with double arms with gas spring for two 19”-35” monitors was designed for users who value ergonomics while working at a computer. The full monitor height adjustment combined with 360° arm rotation gives the possibility of adjusting the screens to individual user needs and provides excellent comfort during office work. Two types of desk mounts allow for any assembly, increasing its functionality. DMV02 is the perfect choice for people working with monitors all day long, e.g. in industry, transport or monitoring centres. This mount is a perfect choice for users who value both functionality and aesthetics.

FEATURES

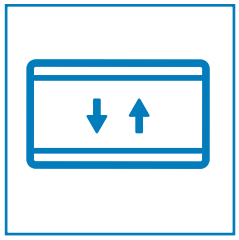

- Screen tilting adjustment by -20° to +50°
- 90° right-left screen position adjustment
- Height adjustment
- 2 types of desk fastenings included
- Cable management system
- Modern design
- Simple and quick installation
