The Sandberg Survivor Radio All-in-1 2000 is a compact and robust device that packs a plethora of smart features, all of which are useful whether you're out in nature or in an emergency situation. You get a power bank for charging your smartphone, a speaker, a radio with both AM and FM reception, as well as light functions serving as both a flashlight and a reading lamp. The device can be charged from a standard USB power source, and when you're away from power, you can use the built-in solar panel and the attached crank handle for emergency charging.
