

ALBRECHT DR 86 Senior

The small senior radio

- ▶ Intuitive operation
- ▶ Large, easy-to-read buttons and display
- ▶ Noise-free digital radio DAB+
- ▶ Battery (integrated) or mains operation
- ▶ Activatable senior mode prevents operating errors

Albrecht Audio has developed a new digital radio that is so simple and easy to use that it is suitable for everyone. You can also connect the radio with your smartphone or tablet to stream music.

The radio can be used in 2 different operating modes:

In the **Senior mode** only the functions switch on / off, volume control and favorite stations are available. No settings can be inadvertently changed and incorrect operation is therefore completely prevented.

The **Standard mode** has various additional functions such as station search, station list, settings, etc. to easily set up the radio.

In just 3 simple steps you can set up the radio for use in senior mode:

- 1.) Turn on the radio, it will automatically perform a station scan.
- 2.) Store up to 5 favorite stations on the favorite buttons.
- 3.) Activate senior mode.

Features:

- ▶ FM and digital radio DAB+
- ▶ Very easy to read: Radio stations and song names in large font
- ▶ Large buttons on the radio for intuitive operation
- ▶ Activatable senior mode consisting of: On/Off, volume and 5 station buttons, unintentional operating errors are therefore eliminated
- ▶ 2.4" LCD display
- ▶ Music streaming from smartphone / tablet
- ▶ Battery- (runtime up to 7 hours at 50% volume) or mains operation
- ▶ Station buttons: 5 for DAB+ / FM
- ▶ Connections: Headphones, USB-C charging port
- ▶ Audio output: 3 Watts
- ▶ Dimensions L/W/H: 181 x 49 x 101 mm
- ▶ Weight: 420 g

Scope of delivery: DR 86 Radio, integrated 2200 mAh battery for mobile operation, power supply, detailed manual
