

THULE ALLTRAIL DAYPACK 25L

Thule AllTrail Daypack 25L TADP225

We've taken the best of our outdoor know-how to bring you a versatile 25L daypack that can do it all wherever you go – out on the trail, in town, or on your travels.

- 25L capacity and streamlined design:** Perfect size to carry a day's worth of gear and stay mobile while navigating a narrow trail or a crowded train station
- Rain cover included:** Custom-fit rain cover protects your gear in the wettest of weather and stows neatly in the pack sidewall when the sun begins to shine again
- Padded interior pocket for laptop or hydration:** The lightly-padded interior panel can protect a laptop, tablet and documents while traveling or accommodate up to a 3L hydration reservoir (not included)
- A pocket for the essentials:** Top pocket provides organization and protection for your essentials like phone, wallet, and keys, which is covered by the pack's lid, keeping it out of reach from pickpockets
- Quick-access shove-it pocket:** Quickly store a windbreaker or sweater in the outer, expandable pocket
- Tuckable waist strap:** Waist strap with belt wings provides extra support for long trips on the trail, but can be tucked away for a more casual look when heading into town
- Trekking pole attachment:** Attachment loops let you store your trekking poles when not in use
- Interior zipper mesh pocket:** Interior zipper mesh pocket provides extra organization inside the bag
- Comfortable, breathable back panel:** Back panel with perforated ridge foam provides comfortable ventilation and support on the trail
- A bluesign® certified product:** bluesign® is a strict international criteria that ensures the protection of workers, consumers, and the environment
