Description

The Equip 133476 USB-C U plug Adapter is a practical and efficient accessory designed to optimize your device connections. This adapter features a unique 180-degree design, allowing you to connect USB-C cables and peripherals in tight spaces or at awkward angles without putting stress on the cables or ports. Its compact form factor ensures that it doesn't add bulk, making it an ideal solution for use with laptops, tablets, smartphones, and other USB-C enabled devices.

Engineered for durability, the USB-C 180 Degree Adapter is constructed from high-quality materials that ensure long-lasting performance. It supports fast data transfer rates and high-speed charging, providing both convenience and efficiency for users on the go. This adapter is perfect for use in a variety of settings, including home offices, professional

workspaces, and travel environments, where space constraints can often be a challenge.
