

FUSION STORAGE CABINET

A stylish way to store AV

The Fusion Storage Cabinet system responds to modern AV applications that need an aesthetic front-serviceable AV storage solution when installing small devices and rack mounted equipment behind the display is not an option. Designed with flexibility and style in mind, the Fusion Storage Cabinet (FCASTC) seamlessly integrates with Chief's award-winning Fusion wall mounts. The cabinet allows for height positioning beneath the display while eliminating the need for wall-mounting. Experience convenience and aesthetic appeal with Chief's Fusion Storage Cabinet.

Height positioning of the cabinet and no wall mounting required!

Flexible positioning of 19" rack-mounted equipment and smaller devices

Stylish acoustic felt front cover with integrated security

Included universal camera mount to easily add any of the most popular video bars

Packaging and a fast installation

The Storage Cabinet and front cover arrive fully assembled, ready for quick installation onto Fusion mounts in just a few minutes. Not only does the innovative packaging provide sturdy protection for global shipping, but it's also tailored for effortless multi-room rollouts. Load AV equipment within the cabinet before installation, then conveniently re-package for shipping and on-site installation. Furthermore, rest assured that no plastic is utilized in the packaging.

Concerned about retrofitting into existing Chief Fusion mounts? No worries! The Storage Cabinet seamlessly integrates into any current setup, effortlessly expanding storage capacity.
