** Compared to Philips HD6301 without drip hole design, using beef burger.

Open flat for grilling, High power for great results, Adjustable height, Removable plates

HD6301/90

Highlights

Easy to clean

Non-stick plates and grease tray are easily removed to make clean-up a breeze.

High power

2200 Watts of power heat the grill plates quickly and maintain a precise, constant temperature for perfect results.

Adjustable temperature

Set the perfect temperature every time to cook sandwiches, meat and vegetables just the way you like them.

Adjustable height

Easily adjust the height of the top grill plate for thicker foods or open-faced sandwiches.

Large grill surface

Whether you're cooking for one or many, the large grilling area handles it all.

Removable non-stick plates

Whatever you make, grilling and clean-up are easy with removable, non-stick grill plates.

Open flat for grilling

Flip the sandwich press open 180° to grill meat and vegetables on both sides at once.

Handle lock

Close and lock the handle to safely carry and store your grill.

48% less smoke*

Indoor grilling designed for real homes, so your flat stays fresh — even on high heat.
