Product Images

Short Description

- 10", 1U
- Material: Strudy Steel
- Color: Light Grey (RAL 7035)

Description

The Equip 10" Brush Panel, 1U, in black, is an essential tool for managing cables and maintaining an organized server rack or data center. Designed to fit into a 1U rack space, this panel features a dense array of flexible nylon bristles that allow cables to pass through while blocking dust and debris.

Crafted from high-quality materials, the brush panel ensures durability and long-lasting performance. The sleek black finish gives a professional and cohesive look, seamlessly blending with other rack equipment. Its robust design helps to protect cables from wear

and tear, ensuring a tidy and efficient cable management solution.

Ideal for data centers, server rooms, and network closets, the 10" Brush Panel is a practical addition to any rack setup. It enhances cable management, ensures protection against dust, and contributes to the overall efficiency and longevity of your equipment.
