

### SPECIFICATIONS

|                                      |                                                         |
|--------------------------------------|---------------------------------------------------------|
| Type / Size                          | 23.8"                                                   |
| Active Display Area (mm)             | 527(H) x 296 (V)                                        |
| Curvature                            | Flat                                                    |
| Panel Type                           | IPS                                                     |
| Resolution                           | 1920 x 1080 (Full HD)                                   |
| Pixel Pitch                          | 0.2745(H) x 0.2745(V)                                   |
| Aspect Ratio                         | 16:9                                                    |
| Brightness (nits)                    | 300 cd/m <sup>2</sup>                                   |
| Contrast Ratio                       | 1300:1                                                  |
| Refresh Rate                         | 100 Hz                                                  |
| Response Time                        | 1ms(MPRT) / 4ms (GTG)                                   |
| HDR (High Dynamic Range)             | HDR Ready                                               |
| View Angles                          | 178°(H) / 178°(V)                                       |
| sRGB                                 | 102% (CIE 1976)                                         |
| Surface Treatment                    | Anti-glare                                              |
| Display Colors                       | 16.7M                                                   |
| Color Bit                            | 8 bits (6 bits + FRC)                                   |
| Video Interface                      | 1x HDMI™ 1.4b (FHD@100Hz)                               |
|                                      | 1x DP (1.2)                                             |
|                                      | 1x D-Sub (VGA)                                          |
| Audio Interface                      | 1x Line-in                                              |
|                                      | 1x Headphone-out                                        |
| Speaker                              | 2 x 2W                                                  |
| Power Type                           | Power Cable                                             |
| Power Input                          | 100~240V, 50~60Hz                                       |
| Adjustment (Tilt)                    | -5°~20°                                                 |
| Kensington Lock                      | Yes                                                     |
| VESA Mounting                        | 100 x 100 mm                                            |
| Dimension (W x D x H)                | 539.8 x 207.2 x 414.1 mm<br>(21.25 x 8.16 x 16.30 inch) |
| Weight (NW / GW)                     | 3.19 kg (7.03 lbs) / 5.12 kg (11.29 lbs)                |
| Dimension (W x D x H)<br>With Carton | 600 x 125 x 400 mm<br>(23.62 x 4.92 x 15.75 inch)       |

#### Note

HDMI: 1920 x 1080 (Up to 100Hz)  
DisplayPort: 1920 x 1080 (Up to 100Hz)  
D-Sub (VGA): 1920 x 1080 (Up to 60Hz)  
Adaptive-Sync Support  
HDMI CEC Support  
**Plan to Pass EPEAT Silver (by country)**

#### IPS Panel with Wide Viewing Angle

Instantly optimize the screen colors and brightness to ensure that you enjoy every detail at its best

#### EyesErgo

An eye care solution designed with ergonomics in mind. Includes Eye care & Ergonomic features.

#### Anti-Flicker Technology & Less Blue Light

With MSI Anti-Flicker technology & Less Blue Light, a stable output current for the monitor & effectively reduce blue light is provided to protect your eyes

#### 100Hz High Refresh Rate

The more images shown in the same time, the less burden will impose to your eyes

#### Eye-Q Check

Help user to have a self-check eyes & remind to take a rest while using the monitor for a long time.

#### Accessory Slot Design

Enjoy a clean table with the accessory slot design where you can put your MSI Pen or Smartphone and you will not miss any important messages anymore.

#### Built-in Speakers

Built-in speakers allow you to listen clearly without connecting external speakers

#### VESA Mount Support

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk
