		EAN code	5704704018389	QTY in 40HQ	1962

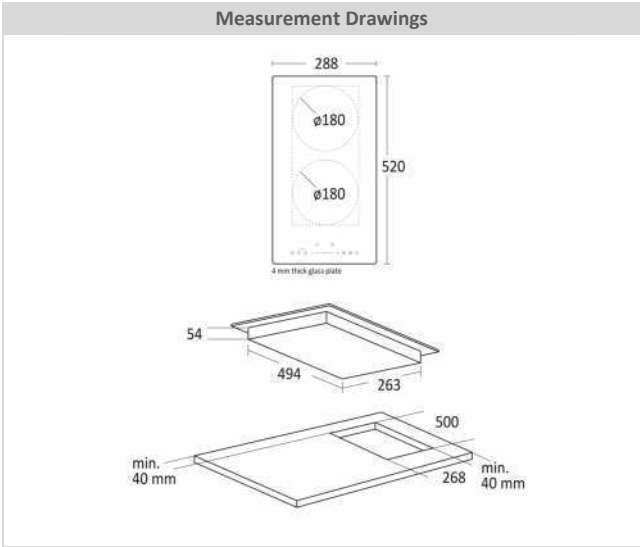

Short Description

30 cm induction hob with touch panel and straight edges. With its size, the plate is ideal for small kitchens, or for combining with other 30 cm domino hobs. The plate has residual heat indicator and child lock.

The two 18 cm zones can also be used as one large square cooking zone, which gives you one extra large heating surface for cooking food. It is also ideal for a roasting pan. You also get a very flexible use of the hob, as several pots can be placed on the same cooking zone.

With a single finger press, you can easily operate the board's functions.

- Key features
- 2 zones Flex induction 2x180mm
 - 10 stage power setting booster
 - Without frame, suitable for flat gluing in the tabletop
 - 99 min timer
 - Child lock
 - Automatic pan detector
 - Residual heat indicator
