

Datasheet Zone 305

Certified for leading business apps and calling platforms, Zone 305 is ideal for mass deployment. This ultra lightweight wireless headset features great audio and reliable connections for clear and uninterrupted calls.

- **Certified for business:** Zone 305 is certified for *Microsoft Teams*, *Zoom*, *Google Meet*, and *Google Voice* with the plug-and-play receiver¹. Also undergoing certification for *Microsoft Teams* over native *Bluetooth*¹ without a dongle.
- **Be heard clearly:** Your voice is captured by dual noise-canceling mics on the extended boom, then enhanced by our custom-designed noise suppression algorithm.
- **Great audio:** The embedded 30 mm dynamic audio drivers deliver great sound quality for calls and more.
- **Ultra lightweight:** Weighing just 122 grams, Zone 305 fits comfortably on your head with its padded headband and earcups, so you can keep it on the whole day.
- **Wireless freedom:** Connect via USB receiver or *Bluetooth*® with a range of up to 30 meters². Get up to 20 hours in battery life for uninterrupted calls³.
- **A choice you'll feel good about:** Made with 55% post-consumer recycled plastic⁴. Replaceable earpads extend the headset's lifespan.
- **Remote management:** Logitech Sync allows IT admins to keep device software and firmware up to date and troubleshoot problems remotely⁹.

Connectivity	Multiple connection types	Bluetooth® 5.3 (Bluetooth Low Energy enabled ⁶), USB-C receiver ⁷ , USB-C to USB-A adapter ⁷
	Bluetooth® profiles	A2DP, AVRCP, HFP, SPP, DID
	Wireless range	Up to 30 m (100 ft) ²
	Paired devices	2 active connections and up to 8 stored connections
Rechargeable battery	Talk/Listen time	Talk time: Up to 16 hrs ³ Listening time: Up to 20 hrs ³
	Charging	2 hours for full charge 5-minute quick charge provides up to 1 hour of talk time ³ 1 m USB-C to USB-C charging cable included
Audio	Microphone type	Dual omni-directional MEMS mics with directional beamforming and DSP
	Sound quality	30 mm dynamic audio drivers deliver great sound quality for calls and more
	Sidetone adjustment	Allows you to adjust how loud your own voice is in the headset ⁵
	Hearing protection	EN 50332-2 compliant
	Audio codecs	SBC, AAC
Simple to manage	Logitech Sync	Monitor and manage personal collaboration devices from one single platform with Logitech Sync. Sync supports company-wide deployments at scale and simplifies tasks such as firmware updates and feature enablement ⁹
Certified for Business	Certifications	Certified for Microsoft Teams, Zoom, Google Meet, Google Voice, and Works With Chromebook ¹
	Compatibility	Works with other popular applications to ensure compatibility and seamless integration in the workplace
