

NOISE CANCELING BLUETOOTH® EARPIECE

BENEFITS

- Four-mic noise canceling and a proprietary DSP cancel disruptive background noise like traffic or crowds.
- Six layers of our unique WindSmart technology ensure your voice comes through clearly — especially outdoors.
- HD Voice clarity on wideband devices and networks.
- Optional charging case provides up to 14 hours recharging.

VOYAGER 5200

From the bustling city streets to the corner café, enjoy clear conversations with the Voyager 5200. With six layers of WindSmart technology and four omni-directional microphones to reduce distracting background noise, nothing gets in the way of a clear connection—no matter what type of device they are using to communicate with in and out of the office. Sleek and pocket-sized, the headset is comfortable enough to wear all day.

- Rigorously tested for all-day comfort.
- Dedicated voice control button.
- Smart sensor technology.
- Audio alerts, caller ID, and voice answer.
