

## Portable SSDs ESD260C Portable SSD

Transcend's ESD260C is a portable solid state drive featuring a sturdy metallic case in a silver hue, a USB 3.1 Gen 2 interface for unmatched transfer rates, and a USB Type-C port. In addition, the ESD260C only weighs 33g, which is convenient to carry around.

### Transfer in a blink of an eye

The ESD260C is equipped with the USB 3.1 Gen 2 interface with the support of UASP (USB Attached SCSI Protocol), providing transfer speeds of up to 520MB/s. You can enjoy high transfer speed that elevates your work efficiency.

### Slim and sleek. Light and portable.

The ESD260C features a lightweight aluminum construction and optimum shock-resistant qualities. It only weighs 33g, making it both portable and resistant to wear and tear. The sturdy texture and silver hue complement the minimalist style of your mobile devices.

### Expand storage in a flash

The ESD260C provides up to 1TB of storage capacity, allowing you to carry large amounts of work files with you. No matter whether you are in the office or in traveling, you get to store high-resolution images, 4K videos, and other media files seamlessly without delay!

## Portable SSDs

# ESD260C Portable SSD

## Features

- USB 3.1 Gen 2 interface with the support of UASP (USB Attached SCSI Protocol)
- 3D NAND flash
- Sturdy metallic case in a silver hue
- USB Type-C and USB Type-C to Type-A cable included

### Transcend Elite

Transcend Elite is a data management software for external hard drives, USB flash drives and portable SSD products.

## Specifications

### Appearance

|            |                                                    |
|------------|----------------------------------------------------|
| Dimensions | 81.4 mm x 33.6 mm x 7.5 mm (3.21" x 1.32" x 0.30") |
| Weight     | 33 g (1.16 oz)                                     |
| Color      | Silver                                             |

### Interface

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| USB Type             | USB Type C to USB Type A / USB Type C to USB Type C |
| Connection Interface | USB 3.1 Gen 2                                       |

### Storage

|            |                       |
|------------|-----------------------|
| Flash Type | 3D NAND flash         |
| Capacity   | 250GB / 500 GB / 1 TB |

### Operating Environment

|                       |                           |
|-----------------------|---------------------------|
| Operating Temperature | 0°C (32°F) ~ 60°C (140°F) |
| Operating Voltage     | 5V                        |

### Performance

|                    |                |
|--------------------|----------------|
| Read Speed (Max.)  | up to 520 MB/s |
| Write Speed (Max.) | up to 460 MB/s |

### Warranty

|             |                                         |
|-------------|-----------------------------------------|
| Certificate | CE / FCC / BSMI / KC / RCM / EAC / UKCA |
| Warranty    | Three-year Limited Warranty             |
