- Packaging: Single blister pack
- Color: Black/Silver
- Swivel metal protective housing
- Long archival life
- Excellent compatibility with all current operating systems
- Size (approx.): 56 x 18 x 10 mm
- Net weight (approx.): 12g

Notes: Actual available storage may be up to 10% less than the listed capacity due to formatting and other functions. 1 GB = 1 billion bytes. Data transfer rates can vary depending on the device and file size. To avoid data loss or corruption, do not disconnect the device during read/write operations and ensure it is correctly ejected from the computer before unplugging. MediaRange is not liable for data loss or damage to connected devices. Always back up important data. Store the device in a cool, dry place, and avoid exposure to extreme temperatures and direct sunlight. USB Type-C® and USB-C® are registered trademarks of the USB Implementers Forum. All brands and product names referenced in here are property of their respective owners and referred to descriptive purposes only.
