# ergonomic laptop stand

R-Go Riser Attachable

# Product overview

---

- 01 R-Go Riser Attachable
- 02 3M Dual Lock sticker 4x
- 03 Foam sticker square 4x
- 04 Foam sticker round 1x
- 05 Foam sticker oval 2x
- 06 Rubber antislip cap 4x

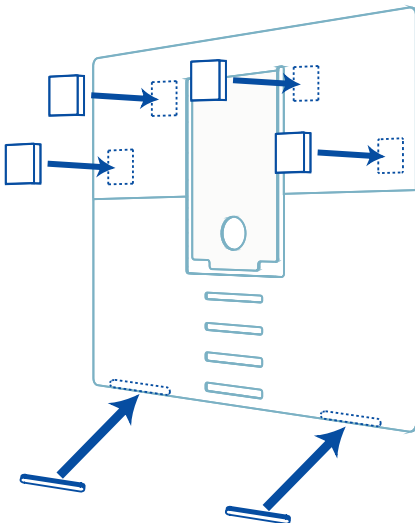

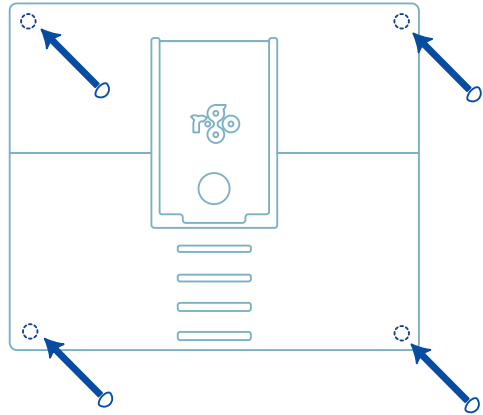

# Setup

---

## Step A

Place the rubber antislip caps on the corners of the logo side of the laptop stand.

○ **4x**

## Step B

Turn the stand, and place the 3M Dual Lock stickers and rectangular foam stickers on the indicated places on the stand.

**4x**

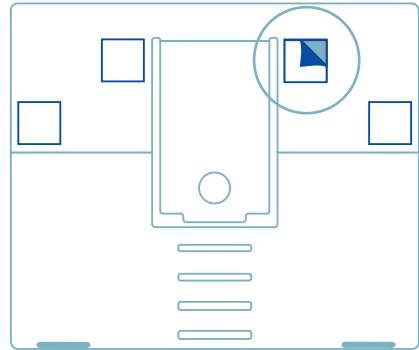

**2x**

# Setup

---

## Step C

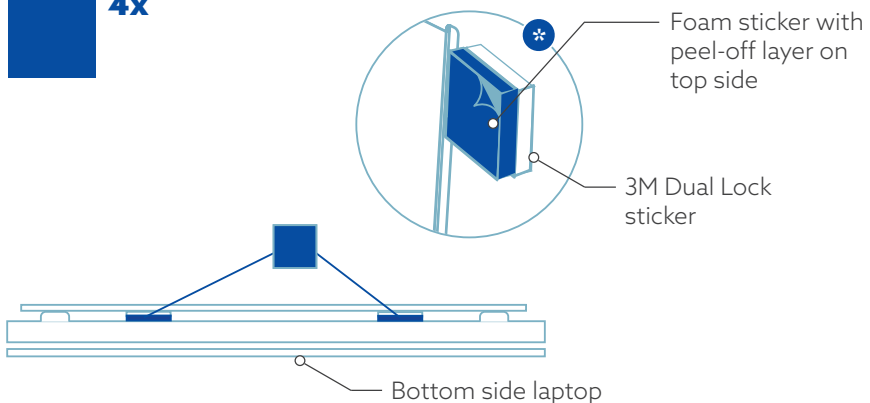

Peel off the protection layer of the 3M Dual Lock stickers.

**Optional** If your laptop has large anti-slip pads sticking out, you can add extra square foam stickers to fill up the excessive space. Place the foam stickers on top of the 3M Dual Lock stickers. **Caution:** place the foam stickers on the 3M Dual Lock stickers in such a way that the peel-off layer is on the top side, see below\*.

4x

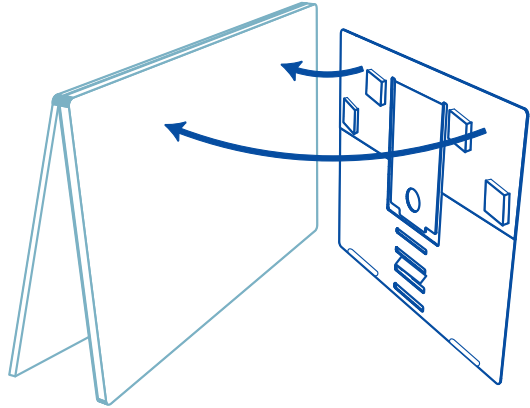

# Setup

---

## Step D

Place the laptop stand on the bottom side of your laptop.

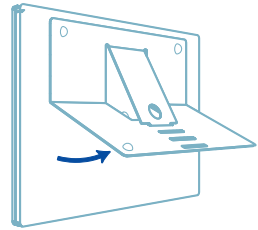

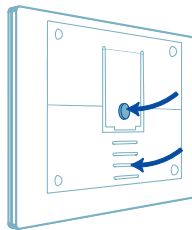

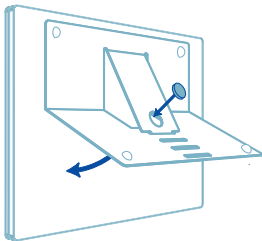

## Step E

Place the blue round foam sticker in the hole of the laptop stand with protection layer removed. Press down the laptop stand, making sure that the sticker stays properly on the bottom of the laptop. You can open the laptop stand again. It is now ready for use!

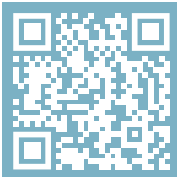

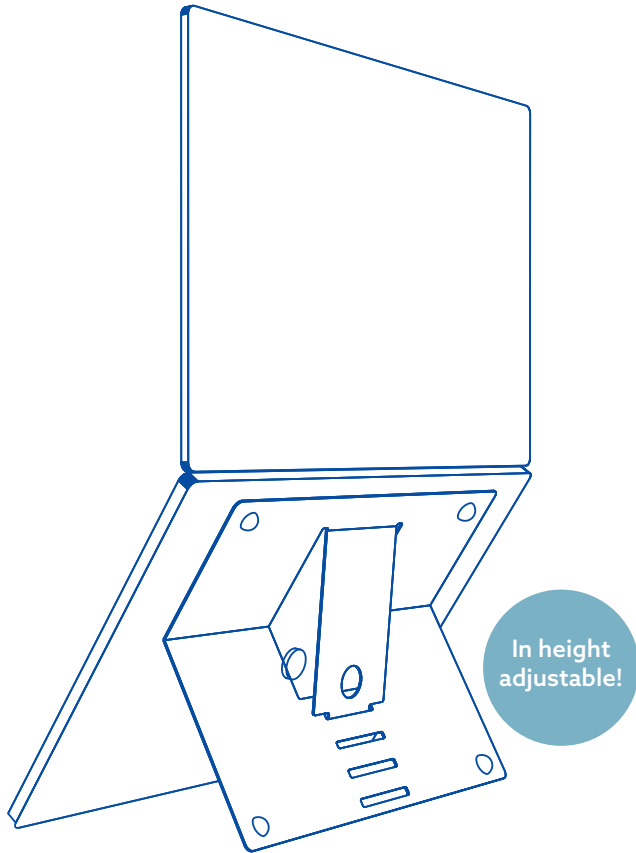

**4x**

# Ergonomischer Laptop-Ständer

R-Go Riser Attachable

# Inhalt

---

|    |                                  |    |
|----|----------------------------------|----|
| 01 | R-Go Riser Attachable            |    |
| 02 | 3M Dual Lock Aufkleber           | 4x |
| 03 | Schaumstoffaufkleber quadratisch | 4x |
| 04 | Schaumstoffaufkleber rund        | 1x |
| 05 | Schaumstoffaufkleber oval        | 2x |
| 06 | Antirutsch Gummi                 | 4x |

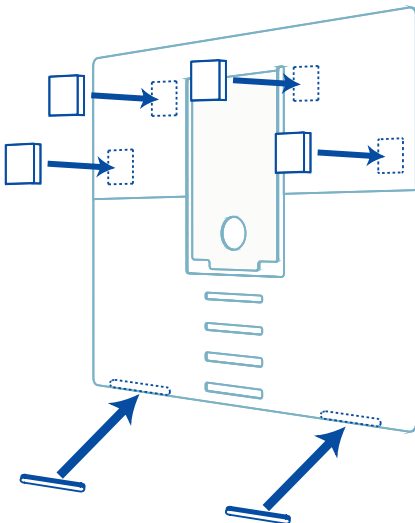

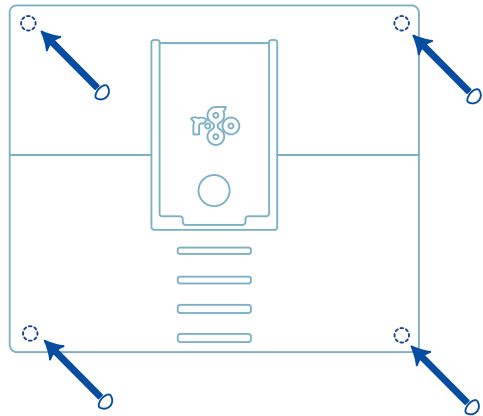

# Einrichtung

## Schritt A

Bringen Sie die Antirutsch Gummis an den Ecken der Logo-Seite des Laptop-Ständers an.

○ 4x

## Schritt B

Drehen Sie den Ständer und bringen Sie die 3M Dual Lock-Aufkleber und die rechteckigen Schaumstoffaufkleber an den angegebenen Stellen des Ständers an.

4x

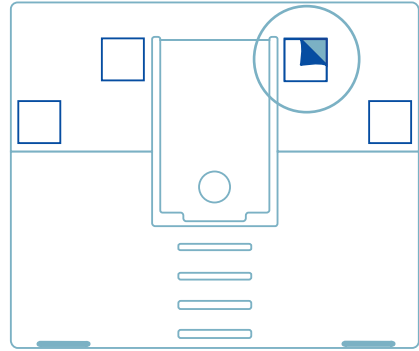

2x

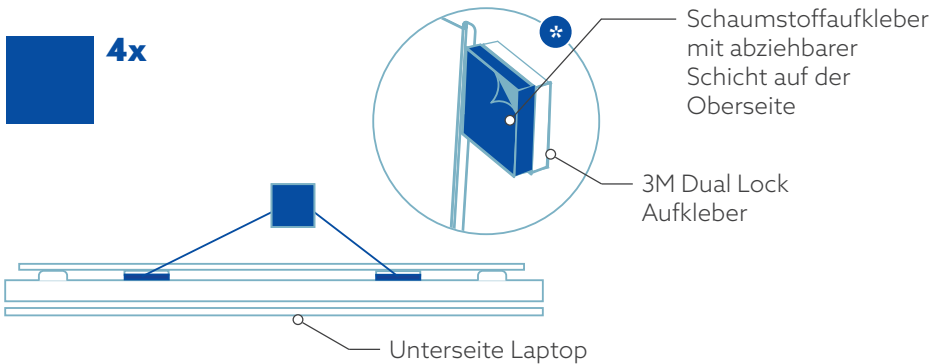

# Einrichtung

## Schritt C

Entfernen Sie die Schutzschicht der 3M Dual Lock Aufklebern.

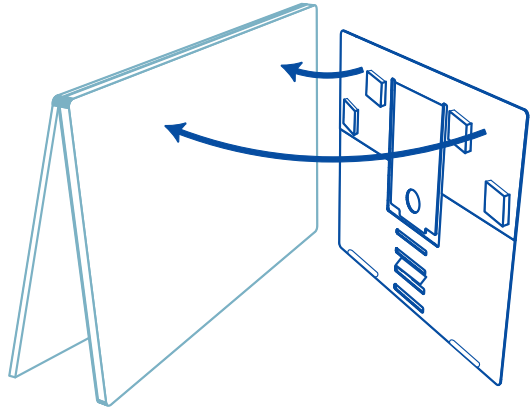

**Optional** Wenn Ihr Laptop große, überstehende Anti-Rutsch-Pads hat, können Sie zusätzliche quadratische Schaumstoffaufkleber anbringen, um den überflüssigen Raum zu füllen. Bringen Sie die Schaumstoffaufkleber auf den 3M Dual Lock-Aufklebern an. Achtung: Bringen Sie die Schaumstoffaufkleber so auf den 3M Dual Lock Aufklebern an, dass sich die abziehbare Schicht auf der Oberseite befindet, siehe unten\*.

# Einrichtung

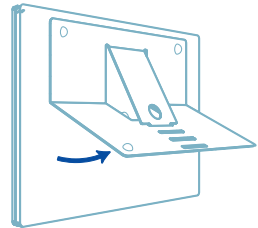

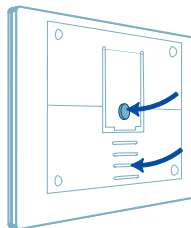

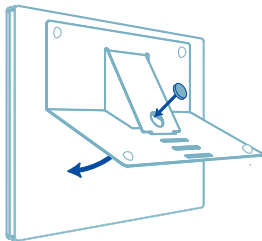

## Schritt D

Platzieren Sie den Laptop-Ständer auf die Unterseite Ihres Laptops.

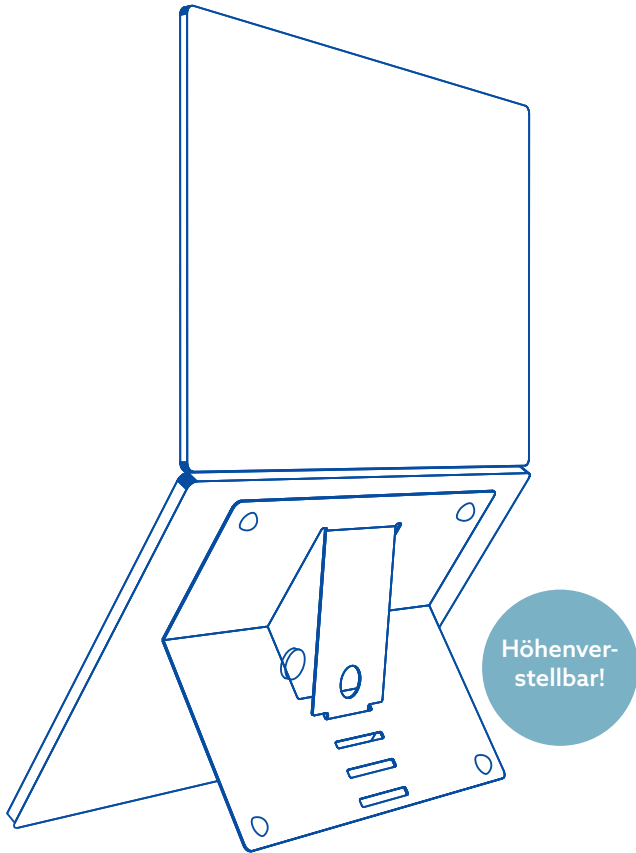

## Schritt E

Befestigen Sie den blauen, runden Schaumstoffaufkleber in das Loch des Laptop-Ständers, wobei die Schutzschicht entfernt wird. Drücken Sie den Laptop-Ständer nach unten und achten Sie darauf, dass der Aufkleber richtig auf der Unterseite des Laptops klebt. Sie können den Laptop-Ständer wieder aufklappen. Er ist jetzt einsatzbereit!

# support ergonomique pour ordinateur portable

R-Go Riser Attachable

## Vue d'ensemble des produits

---

- |    |                                     |    |
|----|-------------------------------------|----|
| 01 | R-Go Riser Attachable               |    |
| 02 | Autocollant 3M Dual Lock (scratch)  | 4x |
| 03 | Autocollant en mousse carré         | 4x |
| 04 | Autocollant en mousse rond          | 1x |
| 05 | Autocollant en mousse ovale         | 2x |
| 06 | Capuchon antidérapant en caoutchouc | 4x |

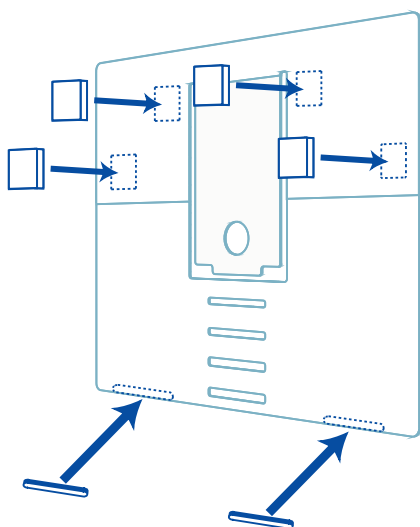

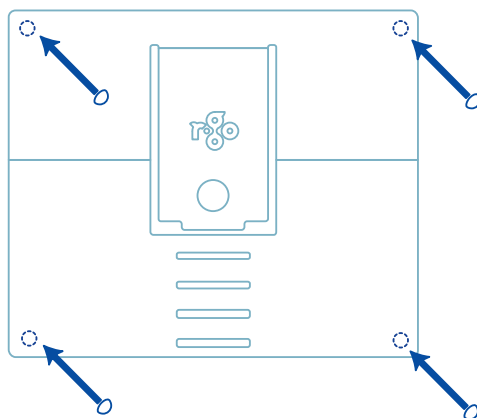

# Mise en place

## Etape A

Placez les capuchons antidérapants en caoutchouc sur les coins du côté du logo du support de l'ordinateur portable.

○ 4x

## Etape B

Tournez le support et placez les autocollants 3M Dual Lock scratch et les autocollants rectangulaires en mousse aux endroits indiqués sur le support.

4x

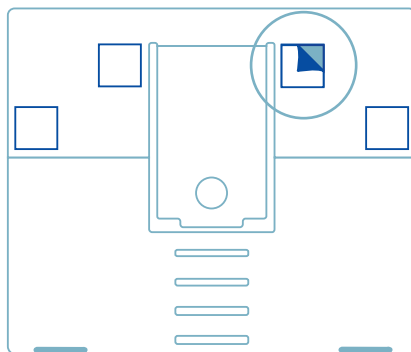

2x

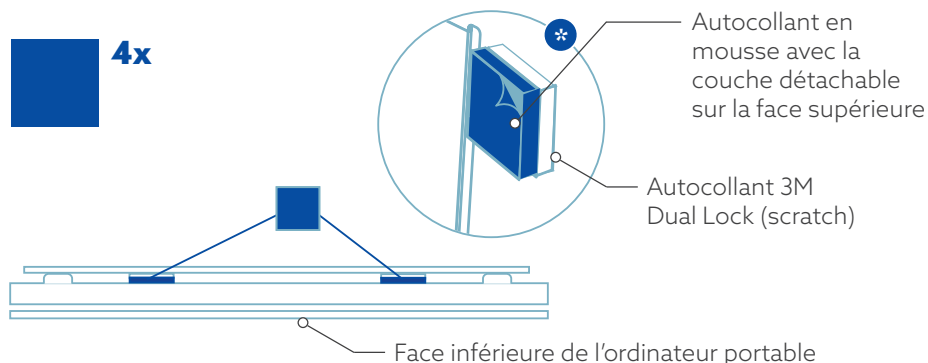

# Mise en place

## Etape C

Découlez la couche de protection des autocollants 3M Dual Lock (scratch).

**Facultatif** Si votre ordinateur portable a de grands patins antidérapants qui dépassent, vous pouvez ajouter des autocollants en mousse carrés supplémentaires pour combler l'espace excessif. Placez les autocollants en mousse sur les autocollants 3M Dual Lock (scratch). Attention : placez les autocollants en mousse sur les autocollants 3M Dual Lock de manière à ce que la couche détachable se trouve sur la face supérieure, voir ci-dessous\*.

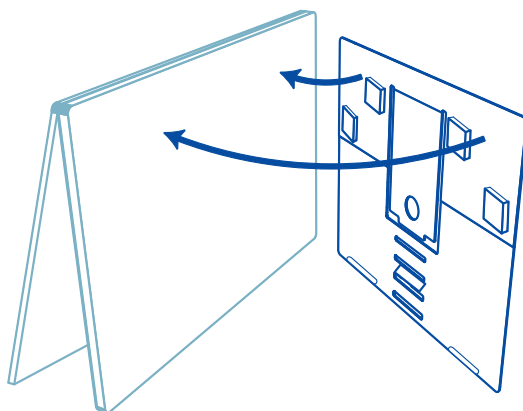

# Mise en place

---

## Etape D

Placez le support pour ordinateur portable sur la face inférieure de votre ordinateur portable.

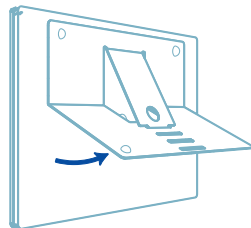

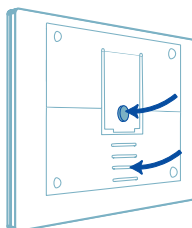

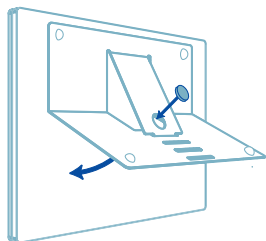

## Etape E

Placez l'autocollant rond bleu en mousse dans le trou du support de l'ordinateur portable dont la couche de protection a été retirée. Appuyez sur le support de l'ordinateur portable, en veillant à ce que l'autocollant reste bien en place sur la partie inférieure de l'ordinateur portable. Vous pouvez rouvrir le support de l'ordinateur portable. Il est maintenant prêt à l'emploi !

# ergonomische laptop- standaard

R-Go Riser Attachable

## Product overzicht

---

- |    |                       |    |
|----|-----------------------|----|
| 01 | R-Go Riser Attachable |    |
| 02 | 3M Dual Lock sticker  | 4x |
| 03 | Foam sticker vierkant | 4x |
| 04 | Foam sticker rond     | 1x |
| 05 | Foam sticker ovaal    | 2x |
| 06 | Rubberen antislipdop  | 4x |

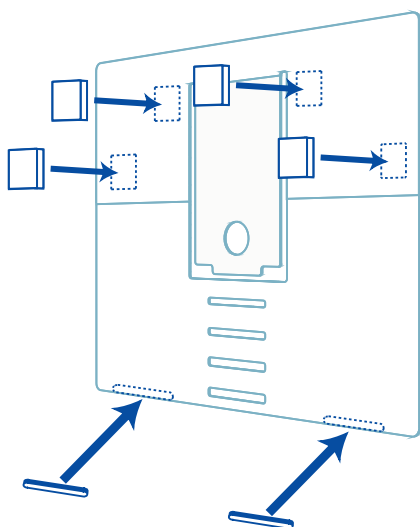

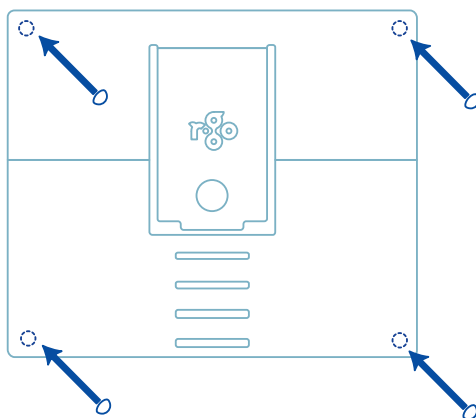

# Installatie voor gebruik

## Stap A

Plaats de rubberen antislipdoppen op de hoeken van de logokant van de laptopstandaard.

○ 4x

## Stap B

Draai de standaard en plaats de 3M Dual Lock stickers en rechthoekige foamstickers op de aangegeven plaatsen op de standaard.

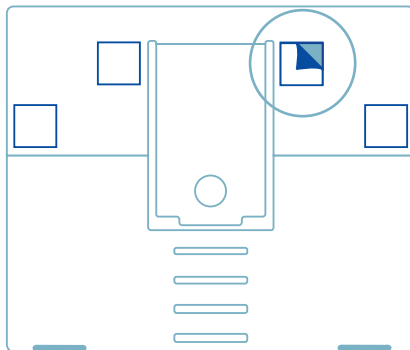

4x

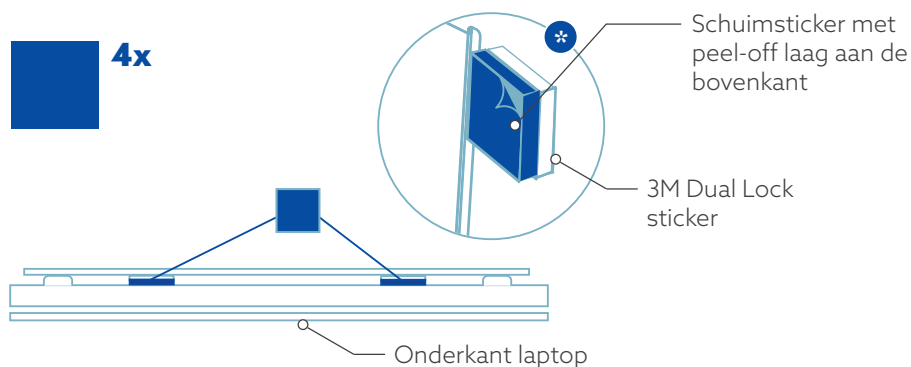

2x

### Stap C

Verwijder de bescherm laag van de 3M Dual Lock stickers.

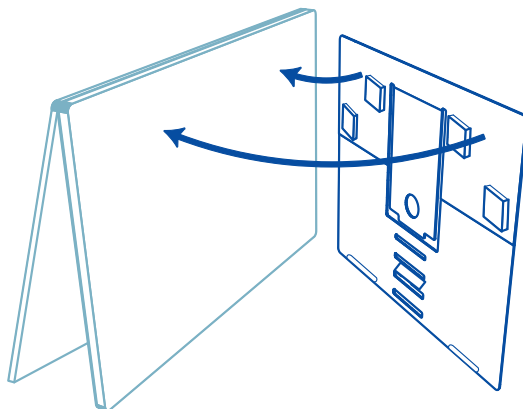

**Optioneel** Als je laptop grote anti-slip pads heeft die uitsteken, kun je extra vierkante schuimrubber stickers toevoegen om de overtollige ruimte op te vullen. Plaats de foam stickers bovenop de 3M Dual Lock stickers. Let op: plaats de foam stickers zo op de 3M Dual Lock stickers dat de peel-off laag aan de bovenkant zit, zie hieronder\*.

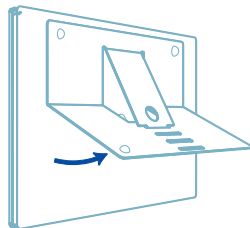

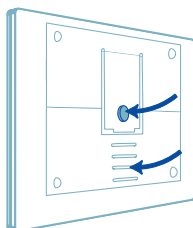

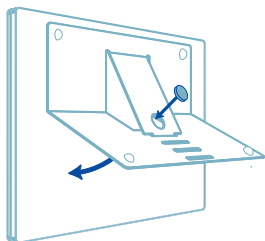

### Stap D

Plaats de laptopstandaard aan de onderkant van je laptop.

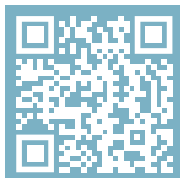

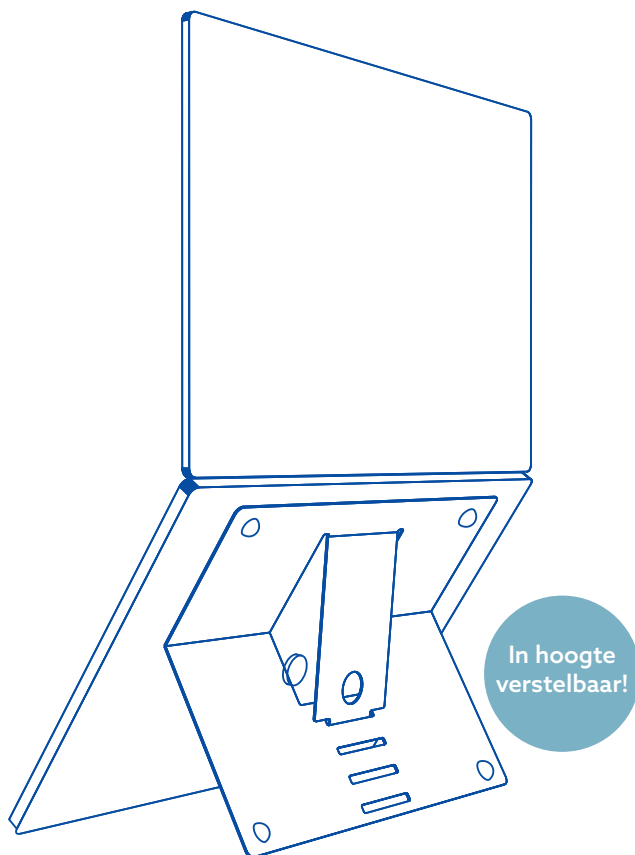

### Stap E

Plaats de blauwe ronde foamsticker in het gat van de laptopstandaard (zonder peel-off laag). Druk de laptopstandaard naar beneden en zorg ervoor dat de sticker goed op de onderkant van de laptop blijft zitten. Je kunt de laptopstandaard weer openen. Hij is nu klaar voor gebruik!

# ergonomiczna podstawka pod laptopa

R-Go Riser Attachable

## Przegląd produktów

---

|    |                                |    |
|----|--------------------------------|----|
| 01 | R-Go Riser Attachable          |    |
| 02 | Naklejka 3M Dual Lock          | 4x |
| 03 | Naklejka piankowa kwadratowa   | 4x |
| 04 | Naklejka piankowa okrągła      | 1x |
| 05 | Naklejka piankowa owalna       | 2x |
| 06 | Gumowa nakładka antypoślizgowa | 4x |

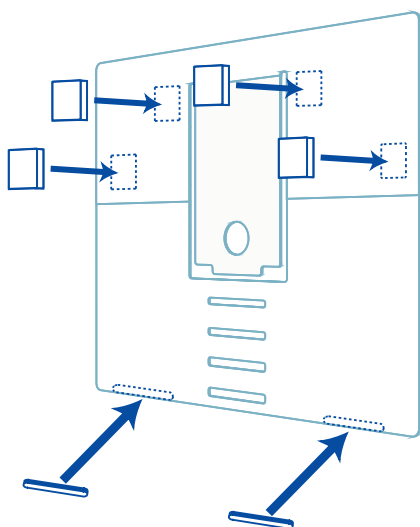

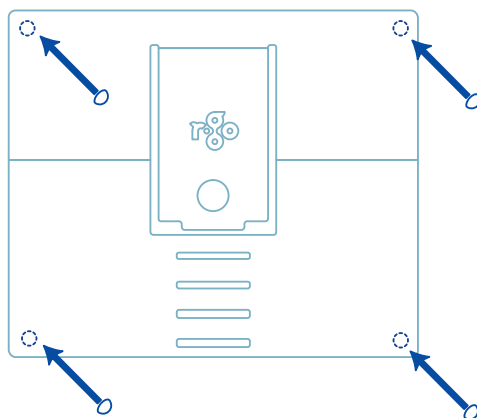

# Konfiguracja

## Krok A

Umieść gumowe nakładki antypoślizgowe na rogach strony z logo podstawki pod laptopa.

○ 4x

## Krok B

Obróć podstawkę i umieść naklejki 3M Dual Lock oraz prostokątne naklejki piankowe we wskazanych miejscach na podstawce.

4x

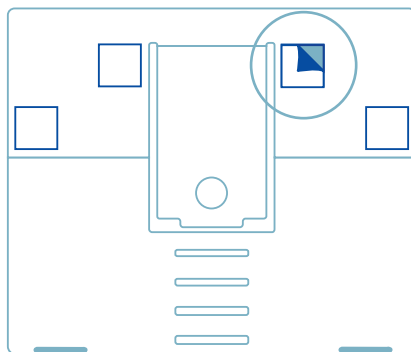

2x

# Konfiguracja

## Krok C

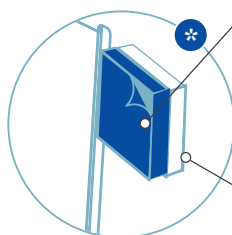

Odklej warstwę ochronną naklejek 3M Dual Lock.

**Opcjonalnie:** Jeśli twój laptop ma duże wystające podkładki antypoślizgowe, możesz dodać dodatkowe kwadratowe naklejki piankowe, aby wypełnić nadmiar miejsca. Umieść naklejki piankowe na naklejkach 3M Dual Lock. Uwaga: umieść naklejki piankowe na naklejkach 3M Dual Lock w taki sposób, aby odklejana warstwa znajdowała się na górze, patrz poniżej\*.

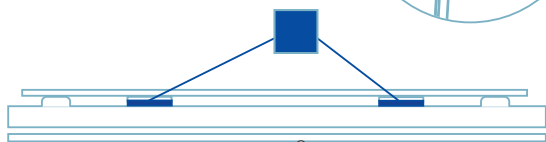

4x

Naklejka piankowa z odklejaną warstwą na górnej stronie

Naklejka 3M Dual Lock

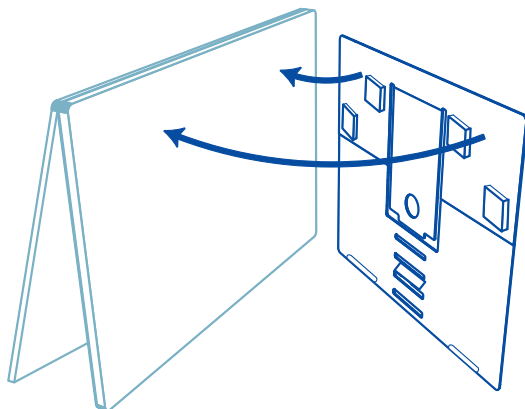

Dolna strona laptopa

# Konfiguracja

---

## Krok D

Umieść podstawkę na spodzie laptopa.

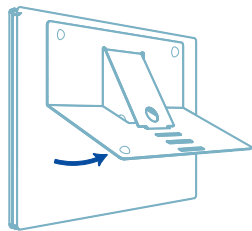

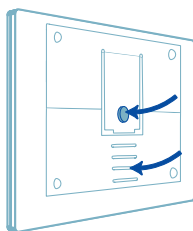

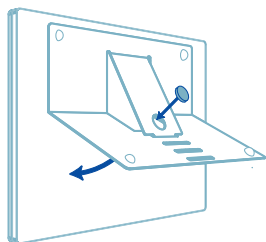

## Krok E

Umieść niebieską okrągłą naklejkę piankową w otworze podstawki pod laptopa z usuniętą warstwą ochronną. Dociśnij podstawkę pod laptopa, upewniając się, że naklejka prawidłowo przylega do spodu laptopa. Możesz ponownie otworzyć podstawkę pod laptopa. Jest ona teraz gotowa do użycia!

# soporte ergonómico para portátil

R-Go Riser Attachable

# Resumen del producto

---

|    |                             |    |
|----|-----------------------------|----|
| 01 | R-Go Riser Attachable       |    |
| 02 | Pegatina 3M Dual Lock       | 4x |
| 03 | Adhesivo de espuma cuadrado | 4x |
| 04 | Adhesivo de espuma redondo  | 1x |
| 05 | Adhesivo de espuma oval     | 2x |
| 06 | Tapa de goma antideslizante | 4x |

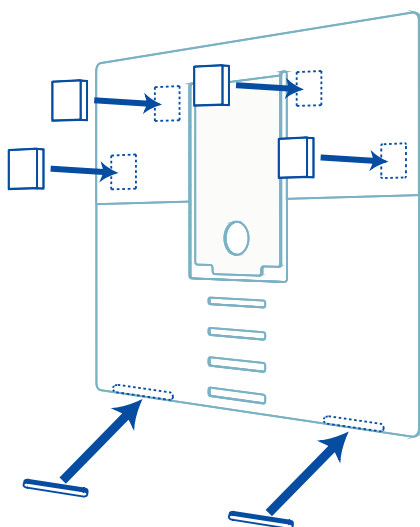

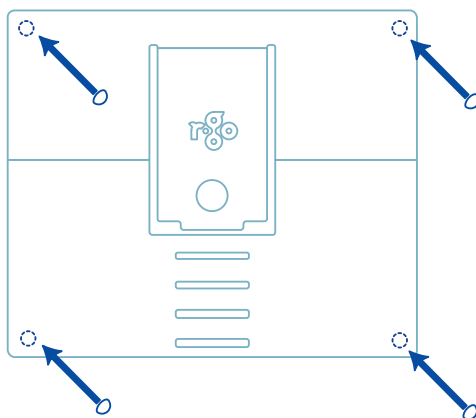

# Configuración

## Paso A

Coloca las tapas de goma antideslizantes en las esquinas del lado del logotipo del soporte del portátil.

○ **4x**

## Paso B

Gira el soporte y coloca las pegatinas 3M Dual Lock y las pegatinas de espuma rectangulares en los lugares indicados del soporte.

**4x**

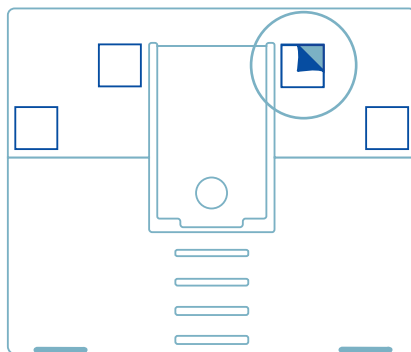

**2x**

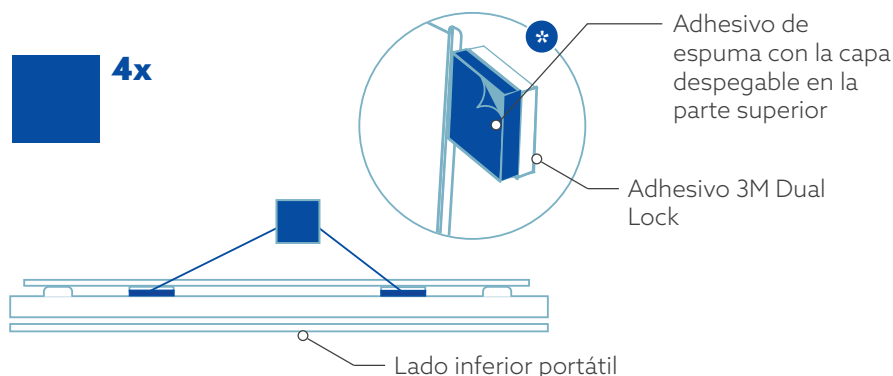

# Configuración

## Paso C

Despega la capa protectora de los adhesivos 3M Dual Lock.

**Opcional** Si tu portátil tiene grandes almohadillas antideslizantes que sobresalen, puedes añadir pegatinas de espuma cuadradas adicionales para rellenar el espacio excesivo. Coloca los adhesivos de espuma encima de los adhesivos 3M Dual Lock. Precaución: coloca los adhesivos de espuma sobre los adhesivos 3M Dual Lock de forma que la capa despegable quede en la parte superior, ver más abajo\*.

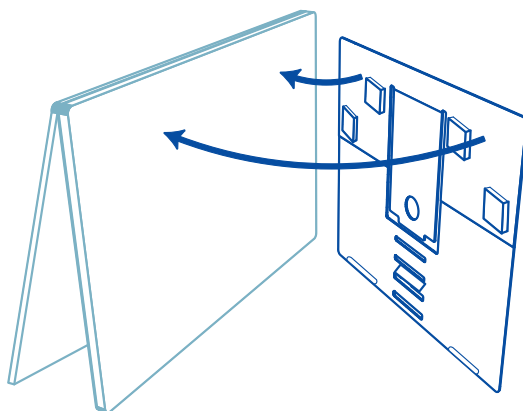

# Configuración

---

## Paso D

Coloca el soporte en la parte inferior del portátil.

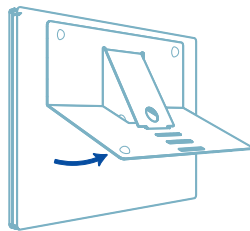

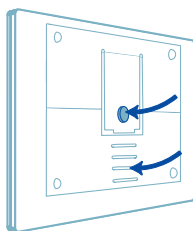

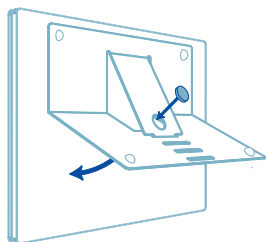

## Paso E

Coloca la pegatina redonda azul de espuma en el orificio del soporte del portátil sin la capa protectora. Presiona hacia abajo el soporte del portátil, asegurándote de que la pegatina se queda correctamente en la parte inferior del portátil. Puedes volver a abrir el soporte del portátil. ¡Ya está listo para usar!

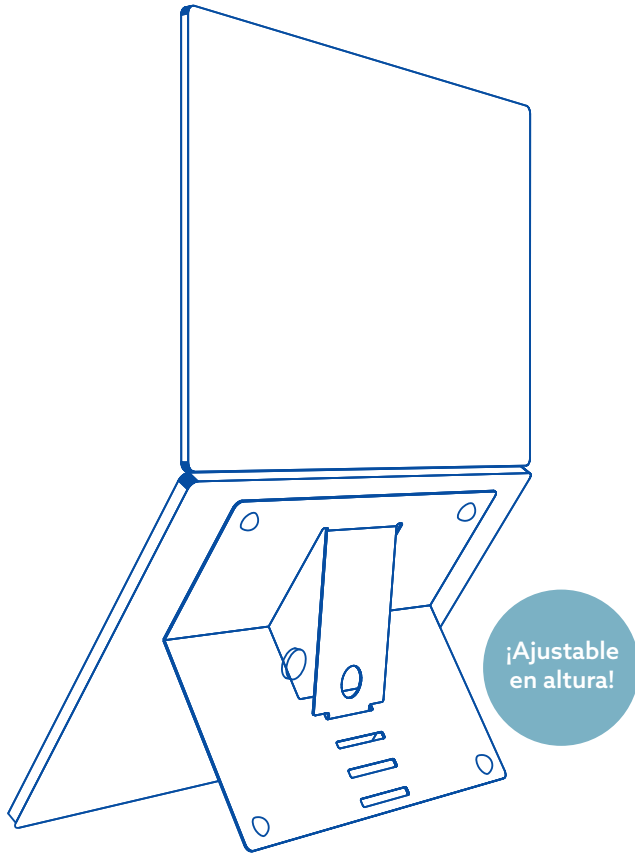

**4x**

## Producto final

# suporte ergonómico para computador portátil

R-Go Riser Attachable

## Visão geral do produto

---

|    |                                  |    |
|----|----------------------------------|----|
| 01 | R-Go Riser Attachable            |    |
| 02 | Autocolante 3M Dual Lock         | 4x |
| 03 | Autocolante de espuma quadrado   | 4x |
| 04 | Autocolante de espuma redondo    | 1x |
| 05 | Autocolante de espuma oval       | 2x |
| 06 | Tampa antiderrapante de borracha | 4x |

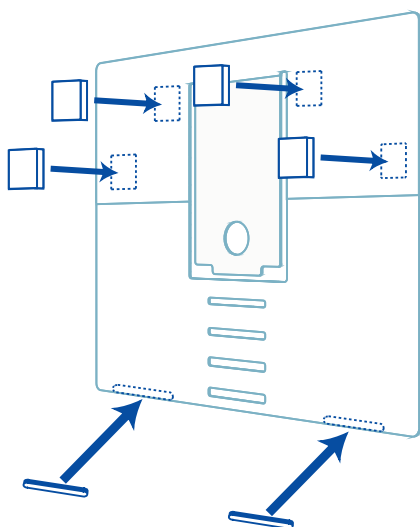

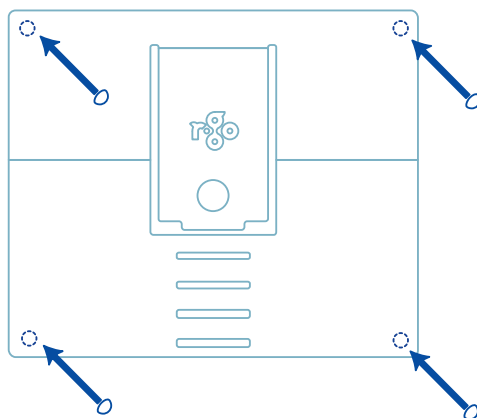

# Instalação

## Passo A

Coloca as tampas antiderrapantes de borracha nos cantos do lado do logótipo do suporte para computador portátil.

○ 4x

## Passo B

Vira o suporte e coloca os autocolantes 3M Dual Lock e os autocolantes rectangulares de espuma nos locais indicados no suporte.

4x

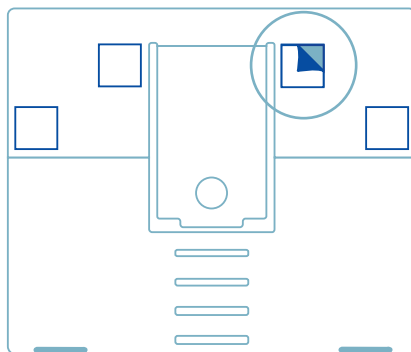

2x

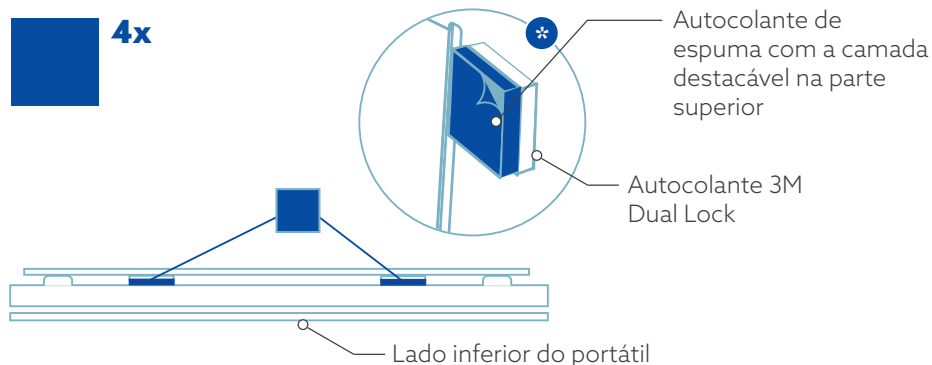

# Instalação

## Passo C

Retira a camada de proteção dos autocolantes 3M Dual Lock.

**Optional** Se o teu computador portátil tiver grandes almofadas antiderrapantes salientes, podes adicionar mais autocolantes de espuma quadrados para preencher o espaço excessivo. Coloca os autocolantes de espuma em cima dos autocolantes 3M Dual Lock. Cuidado: coloca os autocolantes de espuma sobre os autocolantes 3M Dual Lock de forma a que a camada destacável fique no lado superior, ver abaixo\*.

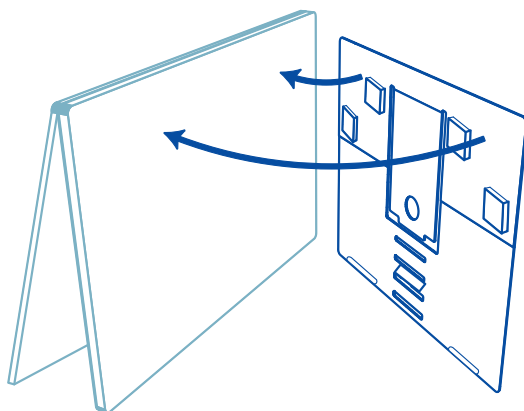

# Instalação

---

## Passo D

Coloca o suporte para portátil na parte inferior do teu portátil.

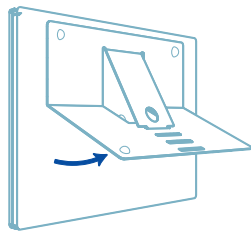

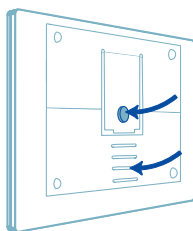

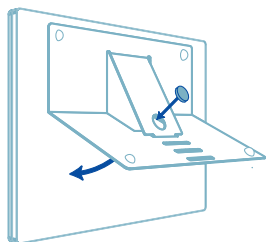

## Passo E

Coloca o autocolante de espuma redondo azul no orifício do suporte para computador portátil com a camada de proteção removida. Pressiona o suporte para computador portátil para baixo, certificando-se de que o autocolante fica bem colocado na parte inferior do computador portátil. Podes voltar a abrir o suporte para computador portátil. Agora, está pronto a ser utilizado!

# supporto ergonomico per laptop

R-Go Riser Attachable

# Panoramica dei prodotti

---

|    |                             |    |
|----|-----------------------------|----|
| 01 | R-Go Riser Attachable       |    |
| 02 | Adesivo 3M Dual Lock        | 4x |
| 03 | Adesivo in schiuma quadrato | 4x |
| 04 | Adesivo in schiuma rotondo  | 1x |
| 05 | Adesivo in schiuma ovale    | 2x |
| 06 | Tappo antiscivolo in gomma  | 4x |

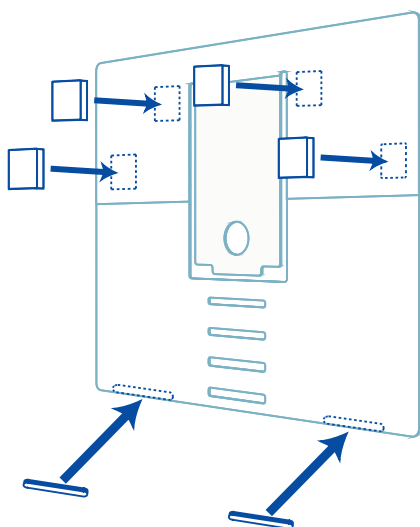

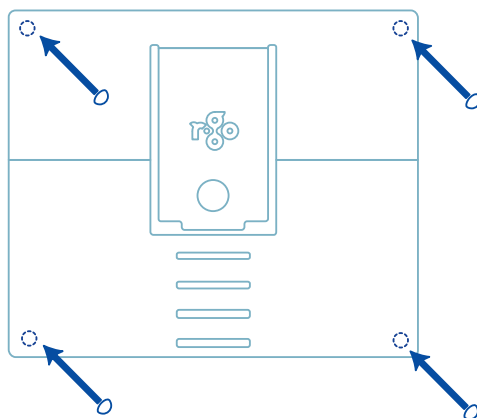

# Installazione

## Passo A

Posiziona i tappi antiscivolo in gomma sugli angoli del lato del logo del supporto per laptop.

○ **4x**

## Passo B

Gira il supporto e posiziona gli adesivi 3M Dual Lock e gli adesivi rettangolari in schiuma nei punti indicati del supporto.

**4x**

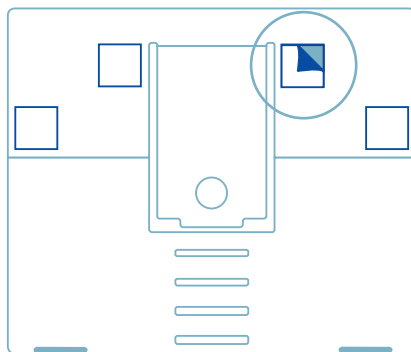

**2x**

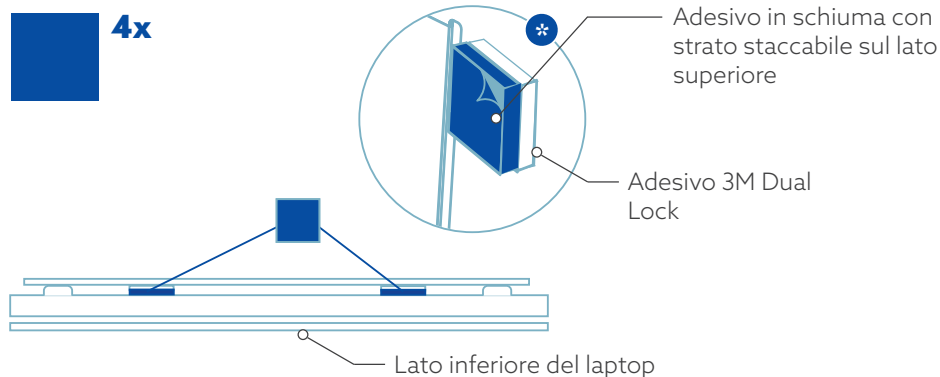

# Installazione

## Passo C

Stacca lo strato di protezione degli adesivi 3M Dual Lock.

**Opzionale** Se il tuo laptop ha dei grandi cuscinetti antiscivolo che fuoriescono, puoi aggiungere altri adesivi quadrati in schiuma per riempire lo spazio eccessivo. Posiziona gli adesivi in schiuma sopra gli adesivi 3M Dual Lock. Attenzione: posiziona gli adesivi in schiuma sugli adesivi 3M Dual Lock in modo tale che lo strato da staccare si trovi sul lato superiore, vedi sotto\*.

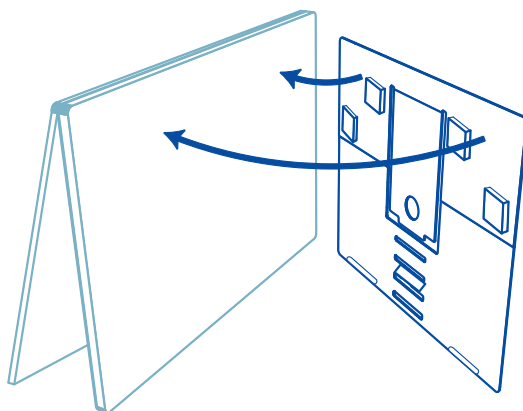

# Installazione

---

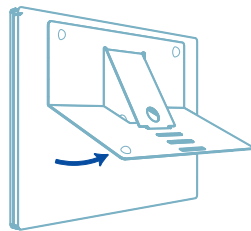

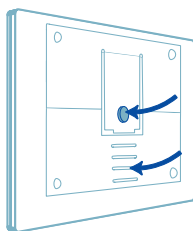

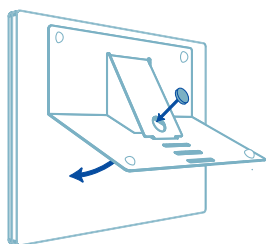

## Passo D

Posiziona il supporto per laptop sul lato inferiore del laptop.

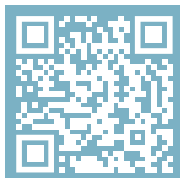

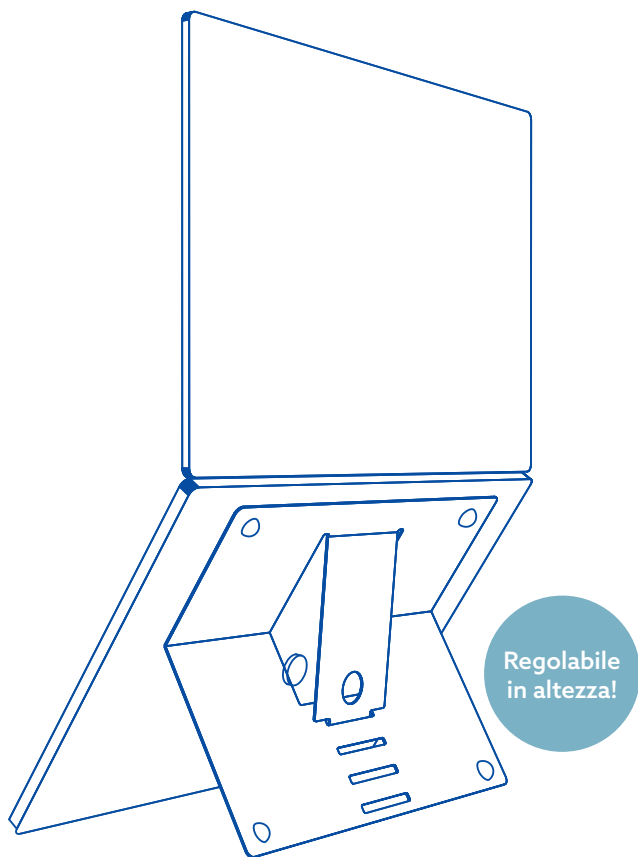

## Passo E

Posiziona l'adesivo rotondo blu in schiuma nel foro del supporto per laptop con lo strato di protezione rimosso. Premi il supporto per laptop, assicurandoti che l'adesivo rimanga correttamente sul fondo del laptop. Puoi riaprire il supporto per laptop. Ora è pronto per l'uso!

# ergonomiskt stativ för bärbar dator

R-Go Riser Attachable

# Produktöversikt

---

- |    |                             |    |
|----|-----------------------------|----|
| 01 | R-Go Riser Attachable       |    |
| 02 | 3M Dual Lock klistermärke   | 4x |
| 03 | Skumklistermärke fyrkantigt | 4x |
| 04 | Skumklistermärke runt       | 1x |
| 05 | Skumklistermärke oval       | 2x |
| 06 | Hätta med halskydd av gummi | 4x |

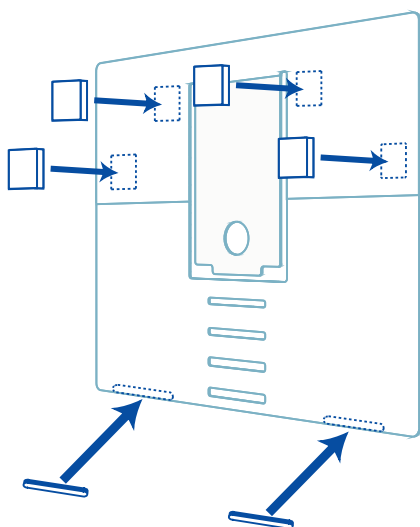

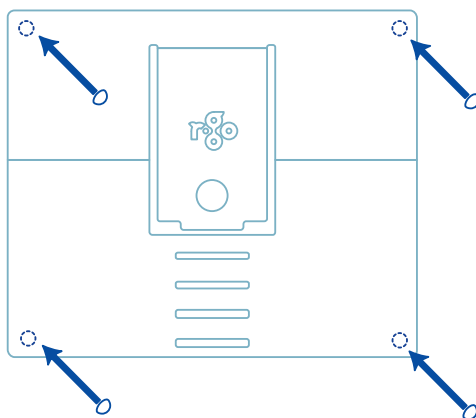

# Uppsättning

## Steg A

Placera halkskydden av gummi på hörnen av logotypsidan av laptopstativet.

○ **4x**

## Steg B

Vrid på stativet och placera 3M Dual Lock-klistermärkena och de rektangulära skumklistermärkena på de angivna platserna på stativet.

**4x**

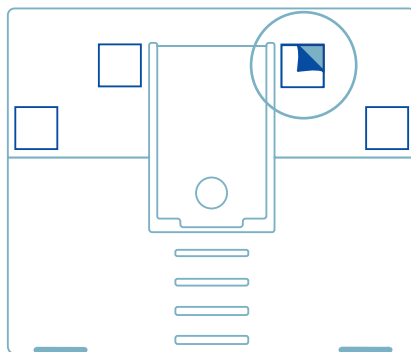

**2x**

# Uppsättning

## Steg C

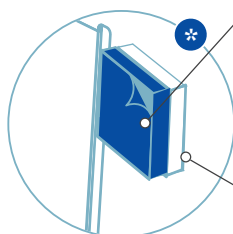

Dra bort skyddsskiktet på 3M Dual Lock-klistermärkena.

**Valfritt** Om din bärbara dator har stora halskydd som sticker ut kan du lägga till extra fyrkantiga skumklistermärken för att fylla upp det överflödiga utrymmet. Placera skumklistermärkena ovanpå 3M Dual Lock-klistermärkena. Försiktighet: placera skumklistermärkena på 3M Dual Lock-klistermärkena på ett sådant sätt att avskalningsskiktet är på ovansidan, se nedan\*.

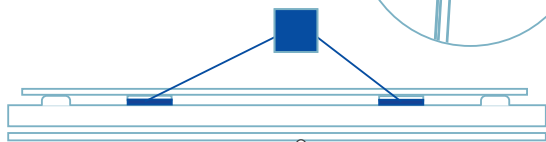

**4x**

Skumklistermärke med avskalningsskikt på ovansidan

3M Dual Lock-klistermärke

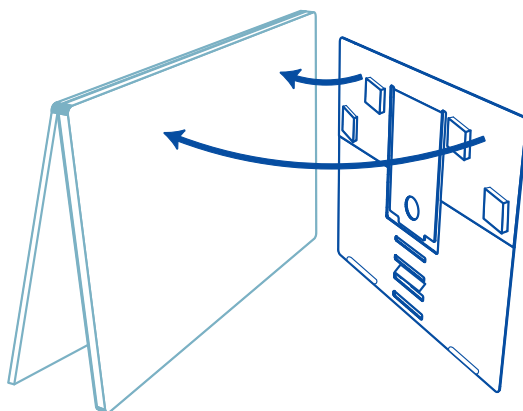

Baksida bärbar dator

# Uppsättning

---

## Steg D

Placera laptopstativet på undersidan av din bärbara dator.

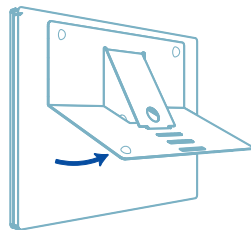

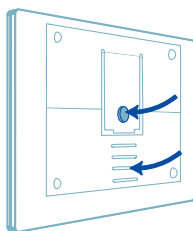

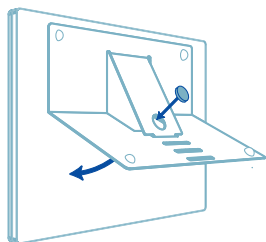

## Steg E

Placera det blå runda skumklistermärket i hålet på stativet för den bärbara datorn med skyddsskiktet borttaget. Tryck ner stativet för den bärbara datorn och se till att klistermärket sitter ordentligt fast på undersidan av den bärbara datorn. Du kan öppna stativet för den bärbara datorn igen. Den är nu klar att användas!

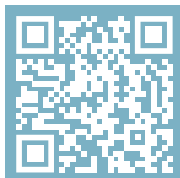

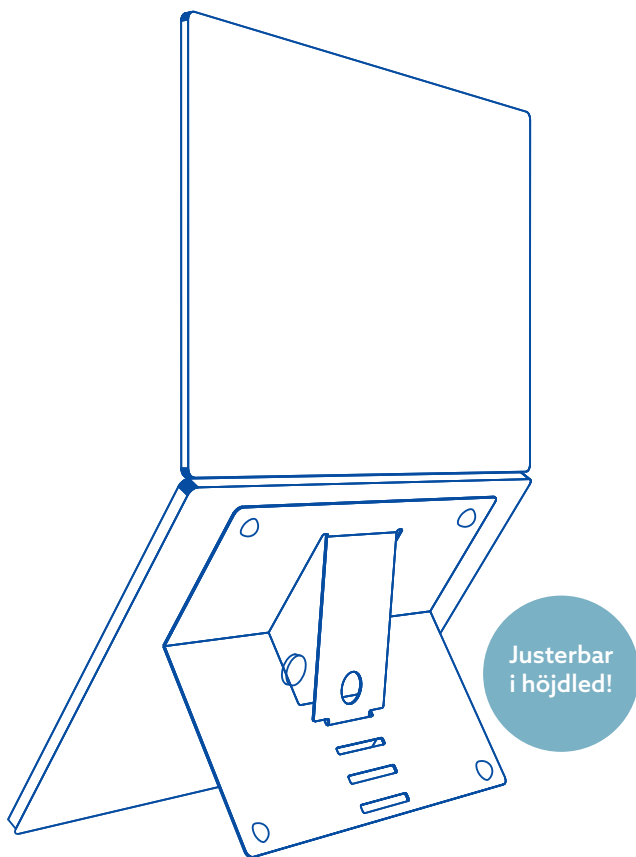

**4x**
