

Raise your documents

R-Go Flex Read & R-Go Read2Write document holders

To work healthily in an upright posture.

Stimulates an upright posture

With a document holder you bring the paper towards your eyes, and therefore automatically adopt an upright working posture.

Ideal for reading and writing

Both document holders are ideal for reading and writing. The R-Go Read2Write can be changed from read- to write-position in just one movement!

Soft foam wrist support

The document holders are equipped with a soft foam wrist support for optimal comfort while working.
