Print at home like a Pro.

Say hello to the professional colour inkjet printer for your home office from the World's #1 Printer Company, paired with the easiest-to-use print app. From notes to presentations, enjoy easy printing designed to make you succeed at work.[1,2]

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: http://www.hp.com/learn/ds
