UC320 USB FLASH DRIVE

PICK UP & GO

UC320 USB Flash Drive

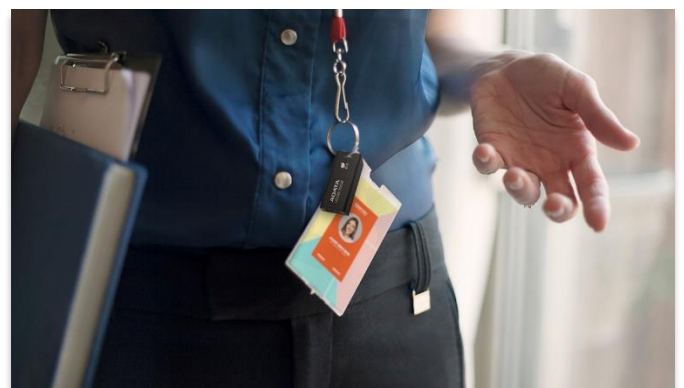

The UC320 features a slim-stylish and capless design, making it a great choice for daily use. Standard USB 3.2 Gen1 performance of up to 100 MB/s read speed and capacities ranging from 64GB to 256GB helps users transfer data effortlessly. USB Type-A compatibility makes it easy to just pick up and go!

Environmentally Conscious

Sleek and clean, the UC320 is ready to embrace a better tomorrow. Its drive casing is made from 85% recycled plastic, reducing CO2 emitted during the manufacturing process by 58%. Put your dedication to environmental sustainability on display!

Show Off Your Drive

Accessorize with the UC320! The UC320 features a convenient cutout that you can use to attach the drive to lanyards, backpacks, keychains, or wherever your fashion sense dictates.

Capless Convenience

The UC320 features a sliding connector design that does away with cumbersome covers or caps that can be lost. The connector can be easily extended or retracted with just one hand.

Features

- Made with 85% PCR plastic
- Capless sliding connector
- Use lanyard cutout to accessorize keychains and bags
- USB 3.2 Gen1 transmission interface with a bandwidth of 5Gbps
