- Mains Voltage
- Weather-proof

Instant setup for all your smart home functionalities
Access all smart features instantly, simply by connecting your new lights to your existing Wi-Fi. You can control lights when you're away from home and set schedules to turn them on and off automatically. All without needing to install additional hardware. Keep the controller within Wi-Fi range, and all linked lights will be fully controllable even out of Wi-Fi range.

Control with any Matter smart home platform
This product is Matter-certified, allowing easy control through Google Home, Amazon Alexa, Apple Home or any other Matter-based smart home platform of your choice.

Always feel safe and secure with automated outdoor lights
Schedule your outdoor lights to turn on every day before you get home, so that you can clearly see your environment and feel safe. Set your lights to turn off automatically in the morning, or when they are not necessary, and save energy.

Create your perfect light scene
Make your own mix of different colour and white lights modes to create the perfect light ambience for your daily moment. Simply save your new Scene and select it anytime with the WiZ app or voice.

Beautify your garden with millions of colours and dynamic modes
Choose from millions of light colours, from energising cool white to soft warm white, and create the best ambience for your outdoor activities. Or simply apply a preset dynamic light mode like Ocean, Forest or Party to create an amazing atmosphere and lift the mood.

Control your outdoor lighting the way you like it
WiZ gives you many options to control your smart lights. Simply adjust lights with your smartphone or your voice from wherever you are. Works with Google Home, Alexa and Siri shortcuts.
