**Compared to homemade fries cooked in a conventional deep fat fryer
****vs Philips Airfryers with RapidAir Technology
****** Chicken leg: up to 40% less fat vs raw
********Number of recipes may vary per country
**********Percentages based on internal lab measurement with Philips Airfryers; cooking one chicken breast (AF setting 350°F no preheat) or salmon filet (AF setting 392°F, no preheat) vs. using an A class oven. Exact percentages might vary per product.
**********MetrixLab test with 30 existing Philips 3000 Series Airfryer users, July 2024

Highlights

RapidAir Plus Technology

Enjoy delicious food with up to 90% less fat*. Patented RapidAir Plus Technology with unique star-shaped design circulates hot air around and through the food with faster airflow**, ensuring even cooking inside and outside to create tasty homemade meals.

Cooking window

No more guessing. Watch while you cook and see when it's done to perfection. Designed to keep you cooking in style.

Don't compromise on taste

83% of our consumers find that chicken drumsticks cooked in the Philips Airfryer 3000 Series taste better than those cooked in an oven.******

Fat removal

Up to 40% of excess fat drips away for healthier meals with full flavor***. The basket keeps food separate from the fat collected in the pan as it cooks.

HomeID recipe app

Over 10,000 delicious recipes tailored to your Airfryer, with easy step-by-step instructions.****

16 cooking methods

Choose from 16 cooking functions from baking and grilling to defrosting and reheating. Settings go as low as 104 ºF and as long as 24 hours for dehydrating and fermentation, too.

6.5 Qt capacity

Enough capacity for your all family meals. Holds up to 35 oz of veggies; 8 chicken drumsticks; 5 pieces of salmon or 7 muffins.

Touchscreen for effortless control

Easy to use touchscreen that has 12 presets to choose from: frozen fries, fresh fries, chicken drumsticks, meat, fish, breakfast, vegetables, muffins, vegan, dehydrated fruits, keep warm and a favorite button that you can save your own preset.

Save time and energy

Cook up to 50% faster and save up to 70% energy when cooking with Philips Airfryer compared to your oven.*****
