1m (3ft) USB Multi Charging Cable - USB to Micro-USB or USB-C or Lightning for iPhone / iPad / iPod / Android - Apple MFi Certified - 3 in 1 USB Charger - Braided

Product ID: RLTCUB1MBK

This USB multi-charging cable a single-cable solution that makes it easy to charge and sync your Apple Lightning or Android devices.

Keep this USB to Micro-USB, USB-C or Lightning cable on hand for all your charging needs, instead of carrying multiple cables. The 3-in-1 cable makes it easy for you to switch between different device models and platforms. Note that it will only connect to one device at a time.

Charge your devices from a USB wall charger, car charger, or power bank. The longer cable offers a greater range, so you can access your device conveniently even while it's connected to a charger.

With a braided nylon jacket, this durable charging cable doesn't kink or tangle as easily as non-braided cables do. It's an excellent replacement for any of your charging cables.

To charge or sync a USB-C or Lightning mobile device, simply attach the corresponding connector to the Micro-USB connector and plug into your device. To charge or sync a Micro-USB device, plug just the middle connector of the cable into your mobile device.

The cable will only charge or sync one device at a time.

RLTCUB1MBK is Apple MFi certified and backed by StarTech.com 2-year warranty to ensure dependable performance.

Certifications, Reports and Compatibility

Applications

• Rugged cable construction enhances durability for long-term use

• Reduce cable clutter and the need for carrying multiple charging cables

• Intuitive connector design is simple to use for quick and seamless interchangeability

Features

• 3 in 1 CHARGING CABLE: Carry a single cable for all your charging needs, switching easily between different device models and platforms; Micro USB, USB type-C and Lightning connectors; Note, the cable will only connect to one device at a time

• AVOID KINKS AND TANGLES: With a braided nylon jacket, this USB multi charging cable doesn't kink or tangle as easily as a non-braided cable does; It's an excellent replacement for any of your charging cables

• CHARGE AND SYNC: The USB to Micro-USB, USB-C or Lightning cable features three connectors and lets you charge or sync one device at a time; Work with smartphones such as Samsung Galaxy, iPhone 15 (Plus/Pro/Max) and up, iPhone X/11/12/Pro Max, Google Pixel

• USB-C or LIGHTNING DEVICES: To charge or sync a USB-C or Apple Lightning mobile device, attach the corresponding connector of the 3 in 1 charger cable to the Micro-USB connector and plug into your device

• THE IT PRO'S CHOICE: Designed and built for IT Professionals, this 3-in-1 cable is backed for 2 years, including free lifetime 24/5 multi-lingual technical assistance
