This is your go-to for basic 4K HDMI cable - offering reliable connectivity at the most affordable price. C2G's Core Series provides you with reliable cables for office or commercial use.

PERFORMANCE SERIES

Premium Reliability.

Your go-to for cables, active copper cables, and active optical cables. When failure is not an option, count on C2G Performance Series for total reliability.

C2G Performance Series HDMI® cables are designed to meet the needs of commercial AV applications, from computers to projectors and monitors, AV presentation furniture, or in-wall applications. C2G'S Performance Series includes HDMI-certified cables, flexible cables for tight spaces, Ultra High Speed Cables for 8K resolutions, and active optical HDMI cables for extended lengths needs.

- **100% Tested** – All Performance Series HDMI passive cables are tested at the production line to ensure they meet our standards—providing the peace of mind they will perform as expected.
- **Commercial Grade Connectors** – Overmolding with integrated finger grips on all sides makes these cables easy to insert and remove in limited access spaces and high-density environments. Additionally, the gripping connector shell provides two times the port retention of a standard connector, reducing the chances of an accidental disconnect.
- **In-wall Rated Jacket** – Ensures safe and compliant cable installation within walls.
- **Lifetime Warranty** – C2G Performance Series Cables are backed by a lifetime warranty* for extra peace of mind.

PERFORMANCE SERIES Premium High Speed HDMI® Cable with Ethernet. For applications requiring HDMI certification.

- Tested to comply with HDMI Certification, this premium line provides the highest level of guarantee, making it the preferred choice for mission-critical applications
