FRAMELESS - 65 Inch WebOS - 4K TV

65US4301X

The Tornado 65US4301X is more than just a TV – it's a statement in terms of price performance. This frameless 65-inch 4K Web OS Smart TV sets new standards in picture and sound quality. HDR10 and Dolby Digital Plus (DD+) guarantee a fascinating viewing experience, while the triple tuner with HD-DVB-T2/C/S2 (HEVC) and C+ ensures first-class signal processing. The 2x10 W speakers and digital noise reduction provide crystal-clear sound. Stay connected and enjoy countless content thanks to the Apple Store, 3 HDMI ports, 2 USB ports and ARC. The Bluetooth remote control makes operation a breeze. This device is high-end technology for your living room.
