

HP POS Mount

Table mount

Item no.: 8431

The HP POS Mount is a table mount that can be used freestanding or for table mounting.

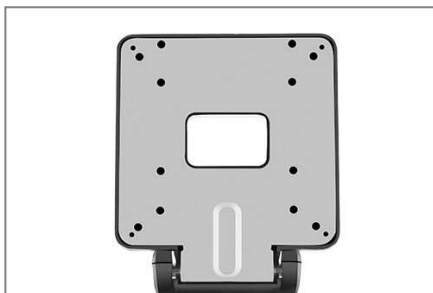

The mount is suitable for screens with a size of 13 - 24" | 33 - 61 cm*.

The screen is mounted using a VESA mount, which covers the standards 75 x 75 mm and 100 x 100 mm.

Thanks to two joints, the mount is very flexible and can also be folded up to save space if required.

Thanks to the joints, the height can also be variably adjusted between min. 60 mm and max. 295 mm.

The mount is made of black plastic and the maximum load is 6,5 kg.

VESA 75 x 75 mm / 100 x 100 mm

Flexible thanks to two joints

Foldable to save space

HP POS Mount

Table mount

Item no.: 8431
