

Epson TM-T20IV

Thermal Receipt Printer

**The capable, affordable
POS printer with versatile
connectivity.**

Engineering meets affordability — practical features are designed for today's POS needs

Compact, modern design — small 3" thermal receipt printer

Designed for reliability — 2-year limited warranty; extended service plans, including Spare-in-the-Air™ coverage, are available

Multiplatform support — compatible with traditional PC-POS and mPOS devices

Versatile connectivity — offers two built-in interface options: USB with serial or USB with serial and Ethernet connectivity

Fast printing — print speeds up to 250 mm/sec allow for fast transactions

Paper-saving functions — top-margin and character-height reduction features help reduce paper by up to 30 percent¹

Easy to use — status LED with intuitive icons allows for simple troubleshooting and maintenance
